Community Agreement

The UTRGV Faculty Senate is brought together in the spirit of shared governance to move forward in a positive, open manner for input that allows all stakeholders to speak regarding policy and process. To create a productive environment where everyone's opinions are valued and considered, let us observe the following:

- 1. Try to be on time to the meeting and actively participate*
- 2. Review the pre-reading materials to be discussed, and if you plan to comment have your thoughts organized in advance*
- 3. Assume positive intent, seek to understand, be inclusive, bring productive energy to discussions*
- 4. Only one person speaks at a time (use raise hand feature to be recognized) - chat is not part of the official record (will not be included in the minutes).*
- 5. Respect and acknowledge everyone's opinions, even if they differ from yours*
- 6. Confidentiality: some things shouldn't be repeated outside the meeting*
