Performance Times: **Middle School: 6 to 8 minutes; High School: 8 to 10 minutes**

**Rules and Regulations of Competition**

1. Groups may enter the following categories: High School Varsity (Classifications: 6A, 5A, 4A, 1A - 3A), High School Junior Varsity 1A - 6A, or Middle School. If there are not 2 or more groups in a single category, the groups will be moved up to the next category. Each category awards 1st, 2nd, and 3rd place winners. A *Grand Champion* from the High School 1A - 6A categories will be selected to play on the concert. Winners of the Vocal Competition and Middle School Competition will also perform on the concert.
2. High School Groups are allowed to play from 8 to 10 minutes. Middle School Groups are allowed to play from 6 to 8 minutes. Groups exceeding the time limit established for the competition will not be disqualified, but will be deducted points. The clock starts with the first note played, and stops with the last note played. Directors, please refrain from excessive preparation time on stage. No sound check. Directors may only help students with adjustment of the microphones.
3. The stage plot will be the same for all groups. To assure the same sound quality for everyone, please do not move any microphones with the exception of the cordless mics.
4. All members of the performing group must be registered for *FESTIBA 2026* Mariachi Festival.
5. Students may compete with only one mariachi ensemble and must be registered under one school.
6. If your school has only one mariachi, the group must compete at the Varsity level.
7. A Middle School student may compete at the HS level, but not vice-versa. Students may compete with only one mariachi ensemble.
8. Please be ready at least thirty minutes before scheduled competition time.

**Public Admission to Competition: \$10.00 at the door**
