NOTICE TO ALL COST CENTER MANAGERS

- **PROCEDURE:** The Cost Center Manager (CCM) assigned to a Cost Center at the end of each annual certification period is held responsible for submitting the Cost Center certification for that period regardless of when the CCM assumed this role. The annual certification entails (to the best of the CCM's knowledge and belief) that ALL transactions posted to the cost center comply with fund restrictions as well as applicable regulations and laws.
- **ACTION:** It is the new Cost Center Manager's responsibility to obtain a partial off-line certification (in writing) from the outgoing Cost Center Manager, covering transactions within the certification period. If the CCM has changed numerous times during the FY, the outgoing CCM should have a certification on file from the previous outgoing CCM. Obtain copies of those partial certifications as well. These partial certifications will be used by the new CCM as justification to support his/her annual financial certification.

NOTICE

- The **COST CENTER PROCESS** applies **ONLY** to **NON-SPONSORED** Cost Centers.
- For changes to **PROJECTS (i.e., Grants related)** please reach out to your **Grants Accountant** for specific information on how to initiate changes to project profile, specifically with regards to changing/updating team member(s).
- To maintain proper segregation of duties in **SAHARA**, employees can only be assigned a security role of either the “**Approver**” or “**Reconciler**” role.
- Employees can either be a Cost Center/Project Manager or a Cost Center/Project Reconciler for all their assigned cost centers/projects. Employees cannot have both roles assigned.

NOTICE

- **PLEASE NOTE:** It may take a couple of business days for the changes to propagate throughout the entire PeopleSoft system.

- This may mean a delay with KEY MEMBER changes being applied to *iShop*, *iTravel+*, *CJD*, and/or *CFS* systems as the change(s) are not immediately recognized.
- Until the update is made in all systems, **PREVIOUS** Key Members may continue to receive approval requests and other such notifications. This is only temporary until the updates have propagated throughout the entire system.

Questions Section (***ALL Three Questions Must Be Answered***)

QUESTION 1: **Description, Purpose, and Benefits** (Please be specific)

*1.

Description, Purpose, and Benefits (Please be specific) - Answer questions below

What is the purpose of tracking expenses and/or revenues in this Cost Center?

What type of expenses will be recorded with the new Cost Center? Ex: Salaries, Wages, Operating Expenses, Faculty, Staff, Students etc.

Who/what will benefit from the expenses being recorded with the new Cost Center? Ex: Students, Community, the Institution, colleges, etc.

Answer

PLEASE PROVIDE AS MUCH INFORMATION AS POSSIBLE. THIS ENTRY FIELD WILL ALLOW YOU TO ENTER AS MUCH INFO AS NEEDED, TO INCLUDE SUPPORTING INFORMATION.

IMPORTANT: SPELL OUT ALL ACRONYMS

For example, spell out Masters of Business Administrations do not use M.B.A..

TCHAT should be completely spelled out as **Texas Child Health Access Through Telemedicine**.

ROI does this refer to **Return On Investment** or **Release of (Medical) Information**?

In the Answer section, you have plenty of space to provide as much information as possible.

Questions Section

QUESTION 2: **Function** (see definition on “ChartField Instructions” link)

If requesting multiple Functions, indicate the percentage allocated to each Function (not to exceed 100.00%).

*2.

Function (see definition on "ChartField Instructions" link) - Answer questions below

Function must coincide with who/what is benefiting from the expenses recorded in the Cost Center.

Answer

FOR EXAMPLE: *Instruction (100) 100%*

PLEASE PROVIDE AS MUCH INFORMATION AS POSSIBLE. THIS ENTRY FIELD WILL ALLOW YOU TO ENTER AS MUCH INFO AS NEEDED, TO INCLUDE SUPPORTING INFORMATION.

In the Answer section, you have plenty of space to provide as much information as possible.

ChartField Instructions for the Function can be found by clicking on the ChartField Instructions link under the Business Justification section.

Questions Section

QUESTION 3: Source of Funds

Where is the funding for this Cost Center coming from?

*3.

Source of Funds - Answer questions below

Where are the funds to support this new Cost Center coming from? Ex: Gift, Donation, Grant, Sales of services or merchandise, Transfer from another Cost Center, etc. If it will be funded via transfer from another Cost Center, provide Cost Center number and description. These can include transfer from Institutional funds for example State or Designated Tuition funds.

Answer

For Example: *Source of funds will be from the revenue generated from the sales of nanobot widgets.*

IMPORTANT: PLEASE **PROVIDE AS MUCH INFORMATION AS POSSIBLE**. THIS ENTRY FIELD WILL ALLOW YOU TO ENTER AS MUCH INFO AS NEEDED, TO INCLUDE SUPPORTING INFORMATION.

In the Answer section, you have plenty of space to provide as much information as possible. Please elaborate on the Source of Funds. Also, stating “**from the budget**” will cause this request to be **DENIED** as not enough information is being provided.

Save The Request

Scroll to the top and review all the content entered, so far.

When ready, you can save the request by clicking the **SAVE** button on the bottom left corner.

If any errors or missing required items a pop-up notice will appear.

The value entered on Description for DESCR (Length 30) is oversized. (9080,31)

The value entered on the above mentioned field exceeds the field size on the core base table.
Please enter a new value for it.

The **ERRORS** must be resolved before you can proceed.

The screenshot shows the 'Accounting & Financial Request' form. At the top, there are fields for Request ID, Request Status, Field Action, Telephone, and a 'Save' button. Below this is the 'Core Information' section with fields for Effective Date, Status, Description, and Short Description. To the right is the 'Business Justification' section with a list of checkboxes and text boxes for various categories like 'Non-Student Request', 'Cost Center Manager', 'Cost Center Alt. Approver', 'Cost Center Reconciler', 'Cost Center Dean/Director', 'Divisional Vice President', 'Cost Center Accountant', 'Department', 'Function', 'Fund Code', 'Special Type', 'Capital', 'Employee Benefits', 'Maintenance and Operations', 'Operating', 'Other', 'Revenue', 'Scholarship', 'Travel', and 'Wages'. Below the 'Business Justification' section is the 'Request Comments' section with a text box. At the bottom is the 'Questions' section with three numbered questions and text boxes for answers. A green arrow points upwards from the bottom of the form to the top, and a red arrow points downwards from the top of the form to the 'Save' button at the bottom left.

Save Confirmation

If **NO** error or pop-up notices appear, then at the top left of the screen you will see the **NEW** **Request ID** number (please take note of it, as you will need it later in this process).

The **Request Status** remains as **NEWLY CREATED**

Submit The Request

IMPORTANT

Please **REVIEW** the answers to the three questions to ensure that **NO ACRONYMS** are used and that all questions are completely and accurately answered. Failing to review and correct (if needed) may delay processing of the request, as it may be returned for re-work & correction.

Once saved, scroll down the page & at the bottom center of the screen (immediately below answer to Question #3), look at the **Request Action** section.

In the **Request Action** dropdown select & click on **Submit for Approval**

Click on **GO** button

The screenshot shows a web form interface. On the left, there is a label 'Request Action' next to a dropdown menu. The dropdown menu is open, showing three options: 'Cancel', 'Mark 'Needs Attention'', and 'Submit for Approval'. The 'Submit for Approval' option is highlighted with a blue background. To the right of the dropdown menu is a grey button with the text 'Go'.

Submit Request Confirmation

Once submitted, at the top left side of the screen,

the REQUEST STATUS now displays **Pending Approval**.

Follow Up To Completion

Once submitted, all previously editable fields will be locked from changes.

The **Request Action** dropdown & **Go** button will turn gray

Link to View **Approval Flow** will appear

Follow Up To Completion

Review the workflow by clicking on the **View Approval Flow** link

view **Comments** (by clicking on the right-pointing triangle)

Follow Up To Completion

Please note, if YOUR name appears anywhere in the Approval Workflow, you will have to APPROVE in order to keep the process moving forward.

Any Rejections or Pushbacks will need to have comments applied explaining why the Rejection or Pushback occurred.

Follow Up To Completion

Once the COST CENTER is created, you will receive an email notification confirming the process is complete.

How A Request Can Stop / Deny A Cost Center Request

Should there come a time, or a situation arises to STOP the requested Cost Center from being created (i.e., duplicate entries) the requester can take the following action(s)

In PeopleSoft 9.2 Login & Navigate to
Employee Self Service

- > Accounting & Financial Reports
- > Cost Center Request

Click on **Find an Existing Value** button.

The screenshot shows the 'ChartField Request' form in PeopleSoft 9.2. The form has a header bar with navigation icons and a search bar. Below the header, there's a section titled 'Add a New Value' with a button labeled 'Find an Existing Value'. The form contains several input fields: '*Request ID' with the value 'NEXT', '*SetID' with the value 'JTRGV', '*Field Name' (empty), '*Field Action' with a dropdown menu showing 'Add', and 'Field Value' (empty). A blue arrow points from the text 'Click on Find an Existing Value button.' to the 'Find an Existing Value' button.

How A Request Can Stop / Deny A Cost Center Request

Should there come a time, or a situation arises to STOP the requested Cost Center from being created (i.e., duplicate entries) the requester can take the following action(s)

On the **Find an Existing Value** screen:
Enter your unique search parameters
such as **Request ID**.
Click **SEARCH** button

In **Search Results**, locate & click on the
requested **COST CENTER**

The screenshot shows the 'ChartField Request' application interface. At the top, there is a navigation bar with a back arrow, a clock icon, a heart icon, and a search bar labeled 'Search in Menu'. Below this is a header section titled 'ChartField Request'. The main content area is titled 'Find an Existing Value' and includes a button labeled 'Add a New Value'. Under the title, there is a section for 'Search Criteria' with a note: 'Enter any information you have and click Search. Leave fields blank for a list of all values.' Below this note are two search history sections: 'Recent Searches' and 'Saved Searches', each with a dropdown menu to 'Choose from recent searches' and 'Choose from saved searches' respectively. The main search area contains several fields: 'Request ID' (dropdown: 'begins with', text input), '*SetID' (dropdown: '=', text input: 'UTRGV'), 'Field Name' (dropdown: 'begins with', text input), 'Field Action' (dropdown: '=', dropdown: 'Add'), 'Field Value' (dropdown: 'begins with', text input), 'Request Status' (dropdown: '=', dropdown: 'Newly Created'), 'Requester' (dropdown: 'begins with', text input), and 'Entered By' (dropdown: 'begins with', text input). At the bottom of the search area, there is a link to 'Show fewer options', a checkbox for 'Case Sensitive', and two buttons: 'Search' and 'Clear'.

Stop / Deny A Cost Center Request

Once you are on the screen containing the Cost Center information you submitted, scroll down to the bottom, look for and click on View Approval Flow link

A Pop-Up will appear showing the current status of the request.

Stop / Deny A Cost Center Request

In the Approval Flow status find the next individual(s) in line and reach out to them asking to **DENY** the request.

For Multiple Approvers, click on the words “Multiple Approvers” (MAs) a new pop-up will appear with the names of the MAs

The pop-up window is titled 'Multiple Approvers' and contains the following fields:

- Approver #1**
 - Name: _____
 - Description: _____
- Approver #2**
 - Name: _____
 - Description: _____

A 'Close' button is located at the bottom right of the pop-up.

Stop / Deny A Cost Center Request

Once the Cost Center Request has been denied, all further actions are terminated. Additionally, refer to the comments section if you are unaware as to why the Cost Center Request was denied.

The screenshot shows a web application interface for managing business request approvals. At the top, there is an orange navigation bar with a back arrow, a clock icon, a heart icon, and a search bar labeled 'Search in Menu'. Below the navigation bar is a header section titled 'Manage Business Request Approval'. The main content area is titled 'Search Requests' and contains a form for searching business requests. The form includes the following fields: Request ID (text input), Requester (text input), SetID (text input with 'UTRGV' entered), Field Name (text input), Field Action (dropdown menu with 'Add' selected), Field Value (text input), *Approval Status (dropdown menu with 'Pending' selected), and Functional Area (dropdown menu). There is also a checkbox labeled 'Exclude Blank Value'. At the bottom right of the form are two buttons: 'Search' and 'Clear'. A note at the top of the form states: 'To locate business requests that require your approval (or business requests that previously required your approval), edit the criteria fields and click the Search button.'

...the screen changes.

LOCATE PENDING UPDATES

Scroll down until you see **View Approval Flow** link, click on it.

A pop-up will appear

Look for the Key Member position that shows PENDING.
In example image, pending approval shows for the new RECONCILER.

Reach out to that pending key member to complete the approval process.

Next page explains process for what to do if the individual that is PENDING is no longer with the department or university.

Resolving PENDING Updates

What to do when an individual in Cost Center Update status is PENDING and no longer with the university:

Short Description - Please provide a short description of your service request. For example, "New service such as software, network line, etc." ?

Service Request Description - The more information you provide here, the easier it will be for the IT Service Desk to fulfill your request. ?

1. Visit **<http://support.utrgv.edu>** & Sign in
2. Click on Information Technology button, screen changes
3. Click on Submit a Ticket (far left side), screen changes
4. Another Submit a Ticket link will appear, click on it.
5. Screen changes again to the IT Help page.
6. Click on General Service Request link, screen changes
7. Populate the Short Description and Service Request Description fields & include the following info:
COST CENTER ID #
REQUEST ID #
Why cancelling this request(i.e., staff member no longer with the university)

CLOSING A COST CENTER

CLOSING A COST CENTER

This process is **ONLY** for **COST CENTER** DEACTIVATION/CLOSURE

When a cost center has reached its end of life (ran out of funding) or other extenuating circumstances may call for the closing of a cost center.

COST CENTER CLOSING PROCESS

- Under the approval of the Cost Center Manager any cost center may be closed.
- There are two conditions that must be met before initiating a request to close a cost center
 - Zero \$\$ Balance in the Cost Center's Budget
 - There is no intention of funding the Cost Center
- If these conditions are met, then the following process needs to occur.

COST CENTER CLOSING PROCESS

The Cost Center Manager will need to

- Send an Email To ACCOUNTINGANDREPORTING@utrgv.edu
- Include the following information:
 - Request to have COST CENTER ##### deactivated/closed
 - Confirm the \$0.00 Funds through the budget overview (add screen shot)
- Once Email is submitted it may take up to five business days to completely deactivate the Cost Center.
- **Please note:** Going Forward, please refrain from using the deactivated cost center number. If a new cost center needs to be created, then by initiating the **COST CENTER PROCESS** a new cost center number will be generated and issued.

REACTIVATING A COST CENTER

Should there come a time to RE-ACTIVATE an inactive Cost Center

- Proceed with the REQUEST UPDATE TO COST CENTER PROCESS as previously mentioned

In the QUESTION #1 section:

Provide in DETAIL why you are requesting to reactivate the Cost Center

However, if you want to add/change any of the following information: Fund, Department, Function and Key members

- It is best to have a NEW Cost Center created
- This to minimize or eliminate any confusion with “Then vs. Now” issues
