

The University of Texas Rio Grande Valley™

MEMORANDUM

To: Global Affairs Advisory Committee
From: Jaime Ortiz, Global Affairs
Date: January 6, 2024
Subject: Global Affairs Faculty Development Fund

The University of Texas Rio Grande Valley (UTRGV) has committed to position itself as a major global university. As such UTRGV Global Affairs will facilitate the strategic engagement of the department, college, institute, or center with its partners across the world to promote and enhance their worldwide brand, reputation, and visibility related to global educational instruction, scholarly research, and experiential learning both inside and outside the classroom to graduate world-class, cross-culturally diverse, and competent individuals.

To further faculty involvement in the globalization process of the university, I have established the Global Affairs Faculty Development Fund (GAFDF) to increase both the assortment and quality of UTRGV's global programs by helping faculty to defray the costs of engaging in innovative global activities. Examples of which are: i) developing a global course or seminar, ii) facilitating the creation and implementation of a faculty-led education abroad program, iii) sponsoring the visit of an internationally-renown guest speaker, iv) presenting at scholarly conventions or professional conferences, or v) supporting memberships of an international academic center or program.

The GAFDF will be implemented as follows:

1. UTRGV Global Affairs will allocate \$500.00 per fiscal year to up three faculty members not holding an administrative assignment per college towards the development or enhancement of a global initiative.
2. Interested faculty members will prepare a brief proposal describing the purpose of the global initiative, highlighting its benefits to UTRGV, presenting a travel itinerary, and itemizing the use of the funds requested. The [GAFDF form](#) will require the signature of the department chair and dean.
3. The proposal should be submitted to UTRGV Global Affairs at least one (1) month in advance of the intended start date for the global initiative. A decision will be made by me, in consultation with UTRGV Global Affairs within a week.
4. It is expected that the sponsoring academic department, college, institute, or center will also contribute, in at least similar terms, to the related expenses of the faculty member. Any additional funds required should be sought from other sources.
5. Faculty recipients must provide a report to UTRGV Global Affairs based on the leads, outcomes, or results of the funded global initiative within one (1) month of its completion.

Please email UTRGV Global Affairs with any questions or concerns to jaime.ortiz@utrgv.edu.
