#### **ON CAMPUS POLLING PLACES AND CAMPAIGNING DURING EARLY VOTING PERIODS & ELECTION DAY**

The UTRGV campus, at times, serves as a polling place during the Early Voting periods and Election Day. During such times, UTRGV reserves the right to designate an area in the vicinity of the polling place for candidates to display their signs and distribute materials. Candidates and their representatives may only be present in the designated area while the polls are open. Candidates and their representatives may not to walk around the campuses and/or distribute materials unless accompanied by a recognized student, staff or faculty organization that has properly followed the procedures for bringing a campus speaker to campus (as described in the UTRGV, Office of Governmental Relations' Requesting Use of University Grounds & Facilities for Political Activity Guide). In addition, candidates and their representatives must abide by Hidalgo and Cameron County Election Department guidelines for polling places as well as the Texas Election Code (TITLE 6. CONDUCT OF ELECTIONS).

Signage may be staked in the ground in the designated areas only when UTRGV campuses serve as Early Voting and Election Day polling places. Signs may not be higher than 3 feet from the ground and may not be staked more than 14 inches in depth. Signage that violates this size limitation will be removed at the expense of the candidate. All signage must be removed within 48 hours of the closing of Election Day.
