GRANTS & LOANS
UTRGV offers grants and loans as a financial aid option to help make your education affordable. Grants and loans are awarded based on financial need, which is determined by the results of the Free Application for Federal Student Aid (FAFSA).

Submission of the FAFSA is easy and can be completed at fafsa.ed.gov. Be sure to include UTRGV on the list of schools you will send your application to by adding your FAFSA School Code 003599.

Graduate applicants or students interested in receiving financial aid must have:

1. Clear admittance into a graduate program and
2. Must be enrolled for at least 6 graduate hours or more per semester (Accelerated Online students must enroll in at least 3 graduate hours or more, per module).

Note: International students and students taking courses for professional improvement, certification, and non-degree seeking students are not eligible for federal or state based financial aid. To confirm eligibility, please contact the Financial Aid office.

OTHER FORMS OF FINANCIAL ASSISTANCE
Veterans Educational Benefits:
If you are a veteran, guardsman, reservist, or a dependent of one, be sure to visit the Military and Veteran Success Center at utrgv.edu/veterans or email veteranservices@utrgv.edu to start the process of receiving your military educational benefits.

If you are seeking the Hazlewood Act, you can receive assistance by contacting hazlewood@utrgv.edu. The Hazlewood Act is a State of Texas benefit that provides qualified Veterans, spouses, and dependent children with an education benefit of up to 150 hours of tuition exemption, including most fee charges, at public institutions of higher education in Texas. This benefit does NOT include living expenses, books, or supply fees.

TEACH Grant:
The Federal Teacher Education Assistance for College and Higher Education (TEACH) Grant is a non-need based grant available to graduate students who are highly qualified teachers. For more details regarding grant qualifications, email finaid@utrgv.edu.

SCHOLARSHIPS
UTRGV has several scholarship opportunities that use the same scholarship application. These scholarships are highly competitive so be sure to apply early.

For more information and to start your application, visit the scholarship website at utrgv.edu/applyscholarships.
PAYMENT OPTIONS
The State of Texas under Sec. 54.007 of the Education Code requires each institution of higher education to provide payment plans for Tuition and Fees.

Eligible students may elect one of two payment assistance options during the term of registration.

Installment Plan:
This plan is available to any student unable to pay the full amount or partial amount due by the university due dates.
Note: This is not available for summer sessions.

Emergency Tuition and Fee Loan:
This plan defers the payment of qualified tuition and fee charges to a future date. You can set both of these plans up online through your my.utrgv.edu account within the ASSIST application.

For additional information, contact Student Accounting Services at student_billings@utrgv.edu, or call (956) 665-7824 or (956) 665-2191.

STUDENT TRAVEL AWARD

The Graduate College encourages you to attend conferences to present your research or project, learn more about your discipline, and establish valuable contacts. The Graduate College Student Travel Award helps defray the costs of traveling to and presenting at research conferences.

ACADEMIC STANDING POLICIES

Master’s Students
In order for a degree-seeking master student to remain in good academic standing, the student must maintain a 3.0 grade point average during the program. A master student whose overall GPA falls below 3.0 in a given semester is automatically placed on academic probation the following semester. Within the following 9 semester credit hours, the overall GPA must return to 3.0 for master students or the student will be suspended for a minimum of one semester.

Doctoral Students
In order for a degree-seeking doctoral student to remain in good academic standing, the student must maintain a 3.25 grade point average during the program. A student who receives a grade of “C” or lower in 9 semester hours of credit attempted toward the doctoral degree, regardless of the student’s classification, whether or not in repeated courses, is ineligible for any graduate degree and will not be permitted to re-enroll. A doctoral student whose overall GPA falls below 3.25 in a given semester is automatically placed on academic probation the following semester. Within the following 9 semester credit hours, the overall GPA must return to 3.25 for doctoral students or the student will be suspended for a minimum of one semester. A student who receives an “F” in any course is automatically dismissed from the graduate program.

Doctoral Degree Requirements
Once a student registers for the dissertation, he/she must continue to enroll in the appropriate dissertation course each succeeding semester (except summer sessions) until the dissertation is completed. Additional requirements for doctoral degrees can be found in the Graduate Catalog sections containing specific requirements for each doctoral program.
ATTENDANCE
The University’s Handbook of Operating Procedures requires regular attendance at all classes for which the student is registered. A student who enrolls for a course and then does not attend is considered absent from the class until the student officially drops the course.

CONTINUOUS ENROLLMENT
All graduate students are expected to enroll and pay tuition and fees by the 12th class day of the fall and spring semester of each academic year until graduation. The only alternative to continuous enrollment is a leave of absence.

MAXIMUM COURSE LOAD
The normal load for a full-time graduate student is 9 hours in a regular Fall or Spring semester. A student may be permitted to enroll for up to 15 hours with the approval of the Dean of the College. Normal load during a summer session is 6 hours, with up to 9 hours permitted with the approval of the Dean of the College. In the case of doctoral students, approval to register for more than 12 hours must be given in advance by the Dean of the Graduate College, or his or her designee.

DROPPING AND WITHDRAWAL
To withdraw from the University, a student must complete a formal withdrawal process, which is available online in the students’ self-service system.

Questions about withdrawal can be addressed to the Office of the Registrar at registrar@utrgv.edu. A student may withdraw during the first 75% of each semester/term. Refer to the my.utrgv.edu account for withdrawal deadlines for each term. Students who withdraw will be given a grade of W. After the deadline, if the student does not withdraw, he or she will remain on the class roll and receives the letter grades she/he earns.

RESIDENCY
A minimum of one-third of the credits towards a graduate degree must be earned through instruction offered by UTRGV. Transfer students may be required to complete additional hours above those on their degree plan to meet this requirement.
FINANCIAL AID SATISFACTORY PROGRESS

Federal Title IV financial aid regulations require students receiving federal student financial aid to maintain Satisfactory Academic Progress (SAP) at the University in order to remain eligible for this aid. SAP standards are also required for some state and institutional financial aid programs.

All semesters of enrollment including summer must be considered in the determination of SAP. SAP standards, including GPA, pace and maximum time frame, begin anew for students seeking a graduate or professional degree after completing an undergraduate degree.

The UTRGV Office of Student Financial Aid will be able to answer your questions about current financial aid policies, SAP and guide you through an appeals process, if necessary.

INCOMPLETE GRADES

A grade of “I” may be given when students have not completed the required coursework within the allotted time of a regular semester or summer session, if the instructor determines the reason for the work being incomplete is valid and the grade of “I” is justified. A written agreement between the student and the instructor specifying the work to be made up and the deadline for its accomplishment must be filed in the office of the School Director/Department Chair at the time the “I” is submitted.

The work agreed upon must be satisfactorily completed and the “I” changed no later than the end of the next regular (Fall or Spring) semester from the date the “I” was received (unless an extension is requested by the instructor), or the grade will automatically be recorded as an "F".

APPEALING A GRADE

Students wishing to appeal final grades or decisions regarding academic standards should first discuss the matter with the instructor of the class. If no resolution occurs, and the student wishes to pursue the matter further, the student may appeal in writing to the appropriate department chair/school director within one long semester after the disputed grade or decision is issued.

The department chair/school director will respond in writing to the student within 14 calendar days (excluding holidays) of the receipt of the student's written appeal. Pursuant appeals will be written and directed within 14 calendar days (excluding holidays) of the date of the department chair's decision to the school, college, or division College Academic Appeals Committee.

The committee will consist of a panel of three faculty members, two of whom may not be from the department in which the appeal originated. The dean will appoint the panel members upon receipt of the written appeal and notify the student in writing of the date, time, and location of the hearing and the names of the members of the panel.

The student and the faculty member involved may appear in person before the panel and present evidence. The hearing will be closed to the public, and no person other than the student, the faculty member involved and panel members may be present.

No person may represent the student or the faculty member. After the College Academic Appeals Committee has heard the appeal, it will deliberate and come to a decision. The committee's decision will be written and mailed, or delivered in person, to the student and faculty member within three class days of the close of the hearing. The student may appeal in writing within 14 calendar days to the dean/director (excluding holidays). The dean's decision will be final, and it must be mailed or delivered in person to the student within 14 calendar days (excluding holidays) of the receipt of the student's written appeal.
LEAVE OF ABSENCE
Students may apply for a leave of absence for no more than two long semesters. Request must be approved in advance of the leave by the Advisor, Director/Program Coordinator, Dean of the College, and Dean of the Graduate College. Students on leave must reapply for admission in order to return but readmission during the approved period of leave is automatic and application fee is waived. A leave of absence does not change the time limit for completion of the student’s graduate program of study.

TRANSFER OF GRADUATE CREDITS TO UTRGV
Appropriate graduate work earned at other institutions, subject to the approval of the Program Coordinator/Director of the graduate program or Department Chair and certified by the Graduate College, may be transferred to UTRGV for degree credit. For details about the type of credit accepted, see the Graduate Catalog.

WITHDRAWAL FOR MILITARY SERVICE
A student who withdraws because of being called to active military service may choose:

1. To receive a refund of tuition and fees for the semester;

2. If eligible, to be assigned an incomplete in each course (refer to the Incomplete Grades policy to determine eligibility);

3. At the instructor’s discretion, to receive a final grade in courses where s/he has completed a substantial amount of coursework and has demonstrated sufficient mastery of the course material. Policies affecting students who are absent for military service, but do not withdraw are articulated in the “Military Absences” section of the University Catalog.

PLAGIARISM, FABRICATION, FALSIFICATION
UTRGV strives to create a research and scholarship climate that promotes faithful adherence to high ethical standards in the conduct of research or other scholarly or creative activities, without inhibiting productivity and creativity. Misconduct in scholarly activity is an offense that damages not only the reputation of those involved but also that of the entire educational community and will not be tolerated. Misconduct in scholarly activity includes fabrication, falsification, plagiarism, or other practices that seriously deviate from those that are commonly accepted within the academic community for proposing, conducting, or reporting research or other scholarly or creative accomplishments. It does not include honest errors or honest differences in interpretations or judgments of data.
**Completing Your Degree**

**Graduation Requirements**
The degree requirements that must be completed for graduation will be those in effect at the time of a student’s entrance or those provided in a subsequent catalog. In any case, the catalog used to determine the degree requirements must not be more than seven years old for students seeking a master’s degree and ten years old for students seeking a doctoral degree. In order to graduate, a cumulative 3.0 GPA is required for master’s students and a 3.25 cumulative GPA for doctoral students. All graduate students must submit a degree plan outlining their coursework by the end of their first long semester of graduate coursework. The degree plan must be signed by an Advisor, Department Chair, and Dean, then submitted to the Graduate College.

**Applying for Graduation**
Graduation applications are due nine months prior to the expected graduation date for traditional semester programs and at least three months prior to the expected graduation term for accelerated online programs. Graduation applications and deadlines are available on the graduate college website www.utrgv.edu/grad. Complete, sign and return the application to Graduate College.

The fee for graduation is currently $32 and is added to your my.utrgv.edu account. If you have applied and you wish to transfer your graduation to a later term, you can also find a transfer graduation form. Transfers are at no additional cost.
COMMENCEMENT & REGALIA
UTRGV offers Commencement Ceremonies at the end of the Fall and Spring semesters only. Students that complete their degrees during the summer terms will only be eligible to participate in December commencement.

For more information on commencement, please visit utrgv.edu/graduation.

All students participating in the commencement exercises are required to purchase or rent the appropriate regalia from the University Bookstore. Doctoral students will participate in the hooding process as outlined in the graduate catalog. For more information visit bkstr.com/utrgvstore.

THESIS/DISSERTATION INFORMATION
Students in a degree that requires a Thesis or Dissertation need to be enrolled in at least 6 hours of consecutive Thesis/Dissertation courses (except in the summer terms).

Please be sure to read the Thesis or Dissertation Manual in its entirety, as it is the best formatting guide available. An application of a Thesis or Dissertation Committee must be submitted when a committee has been selected. If there is a change of committee member(s) at any time, a Change of Committee form must be submitted.

Lastly, a Certification of Completion of Thesis or Dissertation form must be submitted immediately after a successful defense. These forms can be sent to gradcertification@utrgv.edu. In order to meet graduation requirements, students must meet all published deadlines.

Every Fall and Spring semester, the Graduate College offers a workshop dedicated to Thesis/Dissertations. You can find the forms, deadlines, manuals, formatting guide, and other information at utrgv.edu/grad.
