PROGRAMS**

Why UTRGV?

A graduate program can impact your life in many ways, whether it's helping you apply for the dream job with confidence or building on your education and amplifying your knowledge. A graduate program will always make anyone looking at your resume pause and take a closer look.

The Accelerated Online Programs with UTRGV Graduate College are a convenient way for you to earn a graduate degree or certificate without putting your life on hold. You can take the next step in maximizing your potential and ensuring you get the most of your educational investment from the comfort of your own home.

HOW ACCELERATED ONLINE PROGRAMS Work

The Accelerated Online graduate degree and certificate programs offered by UTRGV Graduate College are designed for you to tailor your learning environment around your schedule and help you get the most out of each course. Whether that's in the morning when you have some quiet time or in the late afternoon when the kids are asleep, you'll also find you can shift your schedule at a moment's notice without falling behind. Here's how these flexible program offerings work for you:

- Six 7-week modules throughout the academic year
- Courses taught by the same faculty as traditional on-campus programs
- Programs are 100% Online
- Asynchronous courses with no scheduled lectures or assigned meeting times
- Courses use Blackboard and SoftChalk educational technologies to bring the classroom to you
