BOX D: MBA CORE & ELECTIVE COURSES

*see page 1 Equivalent undergraduate courses

Students must complete all graduate work for a degree within seven years of the time of their first graduate course registration. Graduate courses more than seven years old will not be accepted for credit toward a degree program.

Degree-seeking masters level students must maintain a cumulative grade point average of 3.0 (3.0=B on a 4.0 scale). A student who earns three C's in the MBA Program will be placed on suspension and is ineligible to continue. A student who receives an F in any course is automatically dismissed from the graduate program. These policies are found in the Graduate College Handbook and Graduate Catalog. Students should retain a copy of this form and update it after completing each semester, to track their progress.
