

Dear **Cohort 2016 4YR Track** BMED Students,

You will be allowed to self-register via ASSIST as soon as registration opens. Here are the details you need to know!

- If you have registration [blocks/ holds](#) (could be advising, financial, immunization record or for other reasons)-be sure to get that cleared ASAP at U Central. You will not be allowed to self-register if you have a block/hold. Do not panic, though, as registration will remain open through the spring and summer.
- You should refer to the recommended lists of non-BMED classes, course sequencing roadmap, etc at this [link](#). Use that, along with any advice you may have received from an academic advisor, to guide you.
- All of the BMED-specific courses below are marked with a “BR” within the section number. This is an easy way to identify the courses that are specific to this program.
- Should you need assistance or if you run into issues after today. [Click here to contact us via email](#).
- Below, is the list of BMED-specific courses that you should self-register for Fall 2018. Please follow the steps below to select your courses.
- BMED Sections/courses are designed for specific Cohorts/tracks. Make sure you have the correct registration instructions based on your current track/cohort. You will only be able to self-register for the classes/section listed on this document.
- If you need additional classes than those listed here, please come by the BMED office to make an appointment to meet with Dr. Nair.
- Ensure you are registered for enough credit hours to meet your financial aid or scholarship requirements.
- If registering for more than 18 credit hours you will need to submit an Over-Hour Petition Form. To access form and instructions [click here](#) or visit our website under student resources.
 - Please note that it may take up to 10 business days for this request to be processed. **Deadline to accept over hour credit petitions is Monday, August 13, 2018.**
- Independent Research:
 - Department will register you in BFRI if you have approval from Dr. Chew. She will be providing the list of approved students to department office.
 - If you are participating in a faculty research lab. Department will register you based on the emailed information provided by your mentor. Do not register for Independent Research Sections listed here. Speak to your mentor now!
 - Effective Fall 2018 students will be dropped from any IR if they don't have a documented written report from previous IR due at the BMED office the end of current semester.

STEP 1- Register for your **BMED courses**.

The BMED courses will be clustered together into Missions and taught at the same time /day/location/faculty. You **must** self-register for all courses below.
