# **Rafael & Carmen Guerra Honors Program** Student Progress Report to Track Honors Progress

#### Track:

Acceptance Date into the Honors College:

If you would like the Honors College to confirm your honors credits, please complete the following information so that we may verify our records of your progress status.

#### Student Name:

Student ID:

Email:

Major / Minor:

Current GPA:

To graduate with Honors, a minimum of 21 credit hours must be obtained through 1) Honors courses (designated as an "H" after the course code) or 2) Honors-by-Contract (HBC) courses. Keep a tab on your progress of satisfying Honors courses and HBC courses with a letter grade of "A" or "B".

#### Lower-Division Honors Courses – 9 hours

Lower-division four-digit course codes begin with "1" or "2". Lower-division honors credits can be earned through the Humanities sequence (HONR 2387 Honors Humanities I; HONR 2388 Honors Humanities II) and/or Honors-By-Contract (HBC) courses. The Honors Humanities sequence is optional. *Example of a course code:* ENGL 1301; CRN # is a unique 5-digit code for the course for a given semester.

| Course<br>Code | CRN # | Course Title                      | Semester/<br>Year | Credit<br>hours |
|----------------|-------|-----------------------------------|-------------------|-----------------|
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       |                                   |                   |                 |
|                |       | Current Total Honors Credit hours |                   |                 |
|                |       | Remaining Honors Credit Hours     |                   |                 |

# HONR 3380 Practicum – 3 hours

A required departmental internship, research assistantship, service-learning project, or other experientiallearning activity may be substituted with the addition of an honors component.

| Course | CRN # | Course Title | Semester/ | Grade | Credit |
|--------|-------|--------------|-----------|-------|--------|
| Code   |       |              | Year      |       | hours  |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |
|        |       |              |           |       |        |

# Upper-Division Honors-by-Contract (HBC) Courses – 9 hours

Upper-division four-digit course codes begin with "3" or "4".

| Course<br>Code | CRN # | Course Title                      | Semester/<br>Year | Grade | Credit<br>hours |
|----------------|-------|-----------------------------------|-------------------|-------|-----------------|
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       |                                   |                   |       |                 |
|                |       | Current Total Honors Credit hours |                   |       |                 |
|                |       | Remaining Honors Credit Hours     |                   |       |                 |

## **Optional Thesis (Highly Recommended)- 4 hours**
