Our PROCESS

1 Check you email!

Checking your UTRGV email is important. We will be communicating with you via our home@utrgv.edu email. Important information such as move in dates and times, your room location, payment deadlines and how to access your roommate information.

2 Check in

Residents will check in at their assigned location. Below you will find the address for each facility.

Unity Hall: 509 N. Sugar Rd., Edinburg, Texas 78541

Heritage & Troxel Hall: 410 N. Sugar Rd., Edinburg, Texas 78541

The Village Apartments: 603 N. Sugar Rd., Edinburg, Texas 78541

3 Grab Keys & Move-In!

Prior to moving all your items in you will be given a check in packet which includes your Room Condition Report (RCR). The purpose of this form is to protect both the resident and the University on damage charges and to provide for maintenance corrections. Make sure to check the room very carefully or there will be a possibility you may be charged for any damages to your room that are not listed. Our staff will also inspect room prior to you moving in. For Apartment Style Living, all residents are responsible for the common area.

Residents will check in to their residence hall room/apartment after picking up their check in packet at the Casa Bella Clubhouse. You will meet with a staff member confirm your room assignment, receive keys, and review room condition report (RCR). Please be prepared with your V1 Card or valid ID. Follow signs and instructions from staff members.

Bicycles & Parking Permit

The UTRGV Parking and Transportation Department offers free tagging of items and bicycle permits are free when you register your bike. All bicycles should be secured on bicycle racks located outside of residence halls. Do not secure bicycles to stairways, handrails, entryways, light poles, balconies, fences or trees. You can request a parking permit through their online portal or stop by their office located at EASFC Building, Room 135, Edinburg Campus. Your resident parking permit will allow you to park in resident and Zone 2 Parking on campus. On the next page you can find a map of our parking areas at The Village.

Maintenance Concerns

If there is a regular maintenance issue in your room/suite/apartment, you may submit a work order request online. Before submitting your request, please check with your roommates/suitemates to determine if they have already submitted the issue, and further check the submissions to see if another person has submitted the request. If your request is not a duplicate request, please submit. Follow the [link](#) to take you to our Maintenance Request page.

Cleanliness of Rooms

All residents are required to maintain a maximum level of health standards in their rooms. Open food containers must be properly stored or disposed of in order to avoid attracting roaches or other pests. Residents are responsible for maintaining a reasonably neat and clean room at all times. Good housekeeping practices are expected of each resident.

Trash should be emptied regularly. Daily disposal of trash in the interior common trash dumpsters will help maintain health and safety standards and a desirable environment in your living unit. Fire and health regulations prohibit leaving trash outside your hall.

Unity Hall has interior trash rooms on the first floor. The Village Apartments has trash bins outside near the south end of building F.
