UT Flex Plans

When an employee separates employment, it is important to utilize your remaining UT Flex balance. UT Flex funding will be inaccessible after separation date.

COBRA (Consolidated Omnibus Budget Reconciliation Act) is a federal law under which employees and their covered dependents have the opportunity for a temporary extension of medical, dental and/or vision coverage at group rates in instances where coverage under the plan would otherwise end. In certain cases, it may be possible to continue HCRA coverage. The employee or dependent is responsible for the entire premium for COBRA coverage plus a two percent administrative fee.

- Please select by placing a check mark to indicate that you received your COBRA documents. This includes your:
 - Option to purchase in COBRA (continue health coverage –medical, prescription, dental, and vision - for up to 18 months)
 - COBRA Notice is attached to your separation email – forms include your benefits coverage end date; please print for your records
 - If you choose to enroll in COBRA, you must submit the COBRA application within 60 days of loss of coverage

The COBRA notice will also be sent to you by mail, **to the address we have on file**, within 14 days of coverage end date. If you do not receive the notice forms by mail, please contact benefits@utrgv.edu.
