I understand that I am applying for admission as a non-degree seeking (non-matriculated) student and any credit I may earn as such will not be considered nor applied toward a UTRGV degree unless and until I complete requirements for matriculation. Student matriculation (A student who has been formally admitted to work on a degree) can be achieved by completing a regular UTRGV application and submitting necessary transcripts, test scores, processing fee, required GPA, and meeting admissions requirements. A maximum of 30 semester hours of credit as a non-matriculated undergraduate student may be counted toward a degree and six hours (6) of graduate credit may be considered toward and advanced degree.

All the answers I have given in this application are complete and accurate to the best of my knowledge. If admitted, I agree to observe all the rules and regulations of the University of Texas Rio Grande Valley.
