# ACADEMIC INFORMATION: BACHELOR LEVEL

---

## Full time programs

Business Administration, Economics, Accounting and Actuarial Sciences

## Workload

We recommend students to complete 12 USP credits per Semester. Therefore, we consider 1 USP credit equivalent to 2.5 ECTS. Most FEAUSP courses are 2 or 4 credits: one or two classes of around 2 hours per week, in a semester of 15 weeks. Few courses are 6 or 8 credits

## Course Registration

There are a limited number of spots available in each course, and registration is done on a first come, first served basis. Therefore, we are not able to guarantee that all students will be placed according to their first preferences, and we expect some flexibility on their choice of courses. First year and most second year core courses are usually not available for Exchange Students.

## Grading System

Grading system at USP ranges from 0.0 to 10.0. To pass a course, a student must fulfill two conditions: minimum score of 5.0 and minimum attendance of 70%. Students with grades between 3.0 and 4.9, and minimum attendance of 70% will be able to apply for a reassessment.

## Final Assessment

Exchange Students must take their exams in the same conditions as regular students. They are not authorized to organize exams individually with their professors. All students are expected to take their exams during the official periods (normally the last two weeks of each semester)

# ACADEMIC INFORMATION POST-GRADUATE LEVEL: MASTER AND DOCTORAL

---

## Full time programs

Business Administration (Strategy; Finance; Human Resources; Marketing; Innovation, Entrepreneurship, and Technological Management; Sustainability, Organizations, and Society)  
Entrepreneurship (Professional Master, only)  
Economics (Development Economics, Economic Theory)  
Accounting & Controllershship

## Workload

Courses are 8 USP credits (semester long) or 4 USP credits (intensive and two-month long). Few intensive courses are 2 USP credits. All courses consider contact hours and research time. We recommend 16 to 24 USP credits per semester.

## Course Registration

Master's courses at FEAUSP are research-focused, meaning lots of reading, writing, and research. Master's and PhD students are in the same classes. To join these courses, students need to have finished their first year of a Master's (MSc 1) or be in a research-based Master's or PhD program. Basically, students need at least 4 years of university and a degree. Since our Bachelor's is also 4 years, if students are in their first year of a Master's, they should take courses similar to our final-year Bachelor's.

Heads up: postgraduate professors here have high expectations for attendance and deadlines. They want students to participate in class, do the readings, and hand in your work on time.

## Grading System

Grading system is based on grades: A (excellent), B (good), C (pass) and R (fail). Minimum attendance required to pass a course is 75%

## Final Assessment

Master and Doctoral students are usually required to write an academic article in the end of each course.
