Description:

The mission of the SMSS Undergraduates and Graduates Research Workshop is to serve as a forum for dissemination of new scientific knowledge and discussion of mathematical ideas to foster interaction among students, faculty, and the local community. The workshop invites oral and poster presentations of scholarly work from all fields: pure mathematics, applied mathematics, statistics and mathematical education. Sessions will be classified and organized based on disciplines or themes. All SMSS undergraduate and graduate students, faculty, and staffs are welcome to attend. The SMSS encourages and facilitates research opportunities for SMSS undergraduates and graduates in all majors and class levels. The SMSS promotes research as a high impact student experience to enhance readiness to succeed in future careers.

Interested scholars should submit his/her abstract with presenters name, institution/organization, address, and email to Dr. Jasang Yoon no later than November 30, 2018.

The workshop is organized and sponsored by SMSS of UTRGV.

For further information, please contact Dr. Jasang Yoon at 665-3633 or via email jasang.yoon@utrgv.edu.
