

Classroom Facilitator/ Grader Application School of Mathematical & Statistical Sciences

Thank you for your interest in applying for a position with the School of Mathematical and Statistical Sciences. Below is a description of the two available positions with SMSS. The pay is \$12.00/hour.

- * Classroom Facilitator
- * Math Grader.

* **Classroom Facilitator:** A facilitator is one who facilitates/enables collaboration, learning, and engagement of students. A facilitator also helps model good study behavior and good study habits to students and guides students in their learning to empower them to become learners. Therefore, a facilitator plays an important role in student learning. We want you to be that facilitator who encourages students to perform their best and to unleash the potential that students have. Classroom Facilitators attend the 3 hour class and grade assignments.

- * Workload
6 hours/week (may vary)
Must be able to attend class 3 hours/week.

- * **Math Grader**
Will grade weekly assignments in consultation with the instructor.
Workload: 4 hours/week (may vary) for one class.

SUBMISSION MATERIALS

Please submit your class schedule, transcripts, and resume via email to:

Edinburg Campus Mrs. Elda Leal
elda.leal@utrgv.edu

Brownsville Campus Ms. Olivia Gonzalez
olivia.gonzalez@utrgv.edu

I wish you the best this semester and hope that you will join SMSS.
Please be on the lookout for our email.

Sincerely,
Tim Huber
Director, School of Mathematical & Statistical Sciences

Classroom Facilitator/ Grader Application
School of Mathematical & Statistical Sciences

Name: _____ Student ID: _____

Phone: _____ UTRGV E-mail: _____

Classification: Freshman Sophomore Junior Senior

Major: _____ Minor: _____

Cumulative GPA: _____ Expected Graduation Date: _____

Do you receive work-study Yes No

**Note: For more information or to see if you qualify to receive the work-study grant please follow the link: <https://www.utrgv.edu/ucentral/paying-for-college/financial-aid/additional-aid-request/index.htm>

For all courses taken, please provide the grade you achieved.			List other math-related courses & grade	
Elementary Statistics		Calculus 1		
College Algebra		Calculus 2		
Precalculus		Calculus 3		
Linear Algebra		Differential Equations		

Please indicate what campus you are applying for: Edinurg Brownsville

Classroom Facilitator I am applying for the position: Yes No

Check all of the Mathematics courses where you can provide your service as a Classroom Facilitator and include additional courses not listed.		
Elementary Statistics	Calculus 1	
College Algebra		
Precalculus		

Grader I am applying for the position: Yes No

Check all of the Mathematics courses where you can provide your service as a Grader and include additional courses not listed.		
Elementary Statistics	Calculus 1	Differential Equations
College Algebra	Calculus 2	Linear Algebra
Precalculus	Calculus 3	

SCHEDULE AVAILABILITY –Complete only if you are applying for a Classroom Facilitator

Please check all time periods that you are available to assist as a Classroom Facilitator as you will be attending the particular class. If you elect to become a Mathematics grader, then no schedule is required as the grading will be done during your available time.
