

# PLACEMENT EXAMS IN

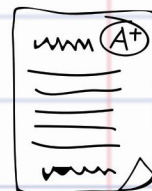

## College Algebra and Precalculus

 These exams allow students to register in the subsequent course after College Algebra or Precalculus.

Exams are free and offered on both the Brownsville and Edinburg campuses.

- However, students do not receive course credit.
- Upon passing the Placement Exam in College Algebra, students can enroll in Precalculus. Similarly, upon passing the Placement Exam in Precalculus, students can enroll in Calculus.

- Schedule your exam with the respective Placement Coordinator by going to
