

With an estimated 1.3M confirmed cases of COVID-19 in the United States (CDC, May 2020), the coronavirus pandemic has impacted many industries in the U.S. and around the world. In order to help prevent the spread of the virus, and ensure the safety of everyone involved, the Model Based Systems Engineering Bootcamp has been rescheduled to October 15-16, 2020. We are sorry for any inconvenience this may cause.

To register for our event, and to see the updated workshop schedule, please visit the '[Registration](#)' & '[Agenda](#)' tabs on our [website](#). Please continue to abide by your local government's health recommendations. We are excited to see you all this coming Fall.

Thank you,

Satya Aditya Akundi, Ph.D.

Assistant Professor

Manufacturing and Industrial Engineering Department

College of Engineering and Computer Science
