

SETTING UP THE LINKEDIN LEARNING INTEGRATION IN YOUR BLACKBOARD COURSE

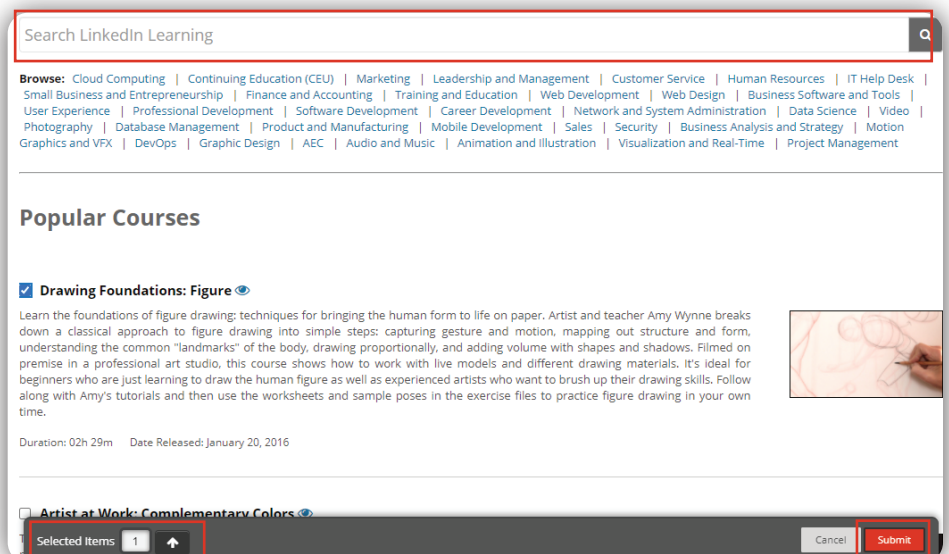

1. Login to Blackboard and go to the course where you want to share the video.
2. In the content area where you want the video, click **Partner Content**.
3. Click **Content Market**.

4. LinkedIn Learning may not show up in the list. Click Browse All Content Providers.
5. Select **LinkedIn Learning**.

6. Search for the courses you want to include and select them by clicking the box next to the videos. You can choose multiple courses at once! No need to add them one at a time.

7. Click **Submit**.
Note that it shows you how many videos you have selected.

8. Click **Browse** and select the content folder where you would like the videos to appear.

Confirm Content Selection
Confirm the content selection.

<input type="checkbox"/>		Learn the foundations of figure drawing: techniques for bringing the human form to life on paper. Artist and teacher Amy Wynne breaks down a classical approach to figure drawing into simple steps: capturing gesture and motion, mapping out structure and form, understanding the common "landmarks" of the body, drawing proportionally, and adding volume		

9. Select the category it is attached to. (Presently, it does not grade any tutorials).

10. Click **Submit**. An item will be created for each course.

CATEGORY

Categories only apply to gradable items and will be ignored for any non-gradable items.
