ENABLE READSPEAKER INTO YOUR SOFTCHALK LESSONS

To enable ReadSpeaker into your SoftChalk lessons, please follow these instructions:

- 1. Open any of your SoftChalk Cloud lessons using the SoftChalk Create application.
- 2. Click on **Tools** and then click on ReadSpeaker.

3. Fill in the Customer ID and JavaScript URL . Note: Please refer to the Faculty Support tab in Blackboard to get these values.	ReadSpeaker × The ReadSpeaker feature adds a Listen button to your lesson so that the text on a page of your lesson can be read out loud. The text of Tooltips will not be read. The text of QuizPoppers, Quiz Groups (all at once and show group options selected) and Activities (display inline option selected) will be read. The ReadSpeaker feature works only on lessons published or uploaded to a learning management system, website, or SoftChalk Cloud.
4. Select the Language (English).	In order to use the ReadSpeaker feature, you must purchase a separate ReadSpeaker account from ReadSpeaker. Enter your ReadSpeaker account information below. Select 'Enable ReadSpeaker' once you have completed your information.
