HOW TO DOWNLOAD THE TURNINGPOINT CLOUD SOFTWARE

- 1. Login to Turning Account (https://account.turningtechnologies.com)
- 2. From the Turning Account Dashboard, click "Downloads".
- 3. Under the Turning Point Cloud tab, click on the appropriate Install link. The Turning Point Cloud software downloads to your computer and you can install.
- 4. After installation complete, you will see a new desktop icon which is a blue cloud with an arrow.
