Let's talk about consent.

A panel of faculty and campus and community experts answer questions about consent, sex, gender and sexuality, sexual assault, and contemporary movements like #metoo.

Questions can be asked the day of the event or emailed anonymously to OVAVP@utrgv.edu.

(OVAVP is a confidential resource on campus and so your name and email are protected and won't be shared.)

Sponsored by: OVAVP, Gender and Women's Studies, Student Equality Alliance and the Philosophy Department.
