POLLING PLACE DIAGRAM

At the polls there are usually: one inspector; two judges –one Republican, one Democrat; and one marshal.

As you enter you will generally meet:

- 1** A judge with the register, a list containing the names of registered voters in the precinct, who will ask your name, find it in the register, and ask you to sign beside it
- 2** Two clerks, one for each party, who will add your name to a list to witness that you have voted
- 3** Another judge, who will hand you your ballot, and help you understand how to cast your ballot
- 4** A voting booth
- 5** The marshal, who will take your ballot and place it in the ballot box
- 6** The inspector, who oversees the polling place and assigns all the workers their duties. Poll workers have other duties. For instance the marshal makes sure that the law is kept. She watches that no one campaigns within 150 feet of the polls and she checks to see that everyone in line when the poll closes gets a chance to vote

You, the voter, will:

1. Sign in by writing your name in the register
2. Take a ballot from a judge
3. Go to the booth and vote
4. Return your ballot to the marshal
