

TCEQ

(Texas Commission on Environmental Quality)

The TCEQ Occupational Licensing section is dedicated to the protection of the environment and human health through the responsible licensing of individuals whose occupations may have an environmental impact. The section's duties include issuing new licenses, renewing licenses, training approval and exam development.

Take your license examination on a computer!

Computer-Based Testing for Occupational Licenses offers:

Immediate exam score with e-mail option

Immediate printed exam analysis feedback with e-mail option

License issued to applicants passing CBT exam within one week of exam date via mail

Immediate retesting, if the exam site has available seating and if you are eligible depending on your application status. (4 attempts per application)

All examinations are timed and have a set time limit.

Pre-approval of your licensing application is required.

All licensing applicants must be pre-approved by the TCEQ before applicants are eligible to take a CBT.

Please visit <https://www.tceq.texas.gov/licensing> for more information.

The following articles can be used during TCEQ tests:

- Scratch paper
- Pencils
- A non-programmable calculator (*Please bring your own calculator*)

All tests consist of multiple choice true/false questions.

If you need to retest, please register and pay for a future test date.

If a candidate requests their third and fourth tests for which they are still eligible, they should make arrangements to return to the testing center. More than two exam attempts should not occur on the same day.
