The Texas Success Initiative (TSI) Assessment 2.0 is a program of diagnostic testing and developmental instruction designed to improve student success rates in Texas colleges, enacted by the Texas Legislature. When entering college, students are required to meet established minimum standards on assessment tests in math, reading, and writing.

The assessments are untimed. However, students need to allow enough time to complete each test since the results are a critical factor in determining the course or courses in which they can enroll.

Setting up a TSIA2 Remote Session:

There are two options available for remote TSIA2 testing:

1. **Virtual Remote testing**, you can take the TSIA2 at home using your home computer. You will need to use Examity to proctor your virtual remote testing session. You are responsible for the $25 proctor fee that is charged.
   - Complete a computer system check to ensure that your computer can carry out the exam. Go to https://examity.com/accuplacer-students/. Scroll down to Computer Requirements and click the test your computer requirements here link.

2. **Remote TSIA2 testing with another Institution**, a local community college or University can assist with proctoring your remote TSI Assessment.
   - The proctor must be a member of the College Board Remote Testing Network and agree to assist with proctoring your TSI testing session.
   - You will be responsible for any proctoring fees charged by the testing center.

Steps for Setting up a TSIA2 Remote Session:

1. Complete and submit a [TSIA2 Remote Request Form](https://practice.accuplacer.org/login) and a copy of your Pre Assessment Activity which can be completed at testing@utrgv.edu.

2. TSIA2 fee will be set up on our online pay system at utrgv.edu/testing under Private Administration, this will happen within 48 hours of receiving both the Request form and Pre Assessment Activity.

3. Once payment is received it may take up to 48 hours to create your voucher. The voucher code will be sent via email to the email address as indicated on the TSIA2 Remote Request Form.

4. Contact testing site that will be proctoring your exam to set up appointment for testing. If testing with Examity, instructions on setting up an appointment will be included on the remote voucher.

5. Once testing is complete you will receive a copy of your results from the site proctoring your exam. Scores will also be available in your Accuplacer student account and can be retrieved at https://studentportal.accuplacer.org/#/studentisr.

Additional Information:

1. **EXAM FEE**: $48 for both sections. ($32 for ELA-R and $16 for Math) Please Note: No convenience fee will be charged if paying with a credit card

2. **IDENTIFICATION**: A valid (non expired) PHOTO ID, preferably a driver’s license, recent school ID, or passport.

3. **REFUND POLICY**: All exam fees are non-refundable and cannot be transferred.

4. **CALCULATORS**: Students are not allowed to use any type of calculator when taking the TSIA2. A pop-up calculator is embedded in the test for some questions.

5. **RETEST POLICY**: A student may retake the TSI Assessment at any time. However, before attempting to retest, it is strongly recommended that student reviews preparation materials.
