TSIA2 Remote Testing

The Texas Success Initiative (TSI) is a program of diagnostic testing and developmental instruction designed to improve student success rates in Texas colleges. The assessments are untimed. However, students need to allow enough time to complete each test since the results are a critical factor in determining the course or courses, they can enroll in.

Setting up a TSIA2 Remote Session:

There are two options available for remote TSIA2 testing

1. Virtual Remote testing: you can take the TSIA2 at home using your home computer. You must use **Meazure Learning** to proctor your virtual remote testing session. You are responsible for the $28 proctor fee and any on-demand fees.

- Complete a computer system check to ensure your computer can complete the exam. Test your equipment

2. Remote TSIA2 testing with another Institution, such as a local community college or University, can assist with proctoring your remote TSI Assessment.

- The proctor must be a College Board Remote Testing Network member and agree to assist with proctoring your TSI testing session.
- You will be responsible for any proctoring fees the testing center charges.

Steps for Setting up a TSIA2 Remote Session:

If you are testing at home:

- Complete the TSIA2 Pre-Assessment Activity at https://practice.accuplacer.org/login.
- Register and pay for the TSIA2 Voucher on our website. This fee does not include any proctoring fees charged by Meazure Learning and does not schedule an appointment for a testing date or time. Once payment is made, you will receive your voucher within **three business days***. The voucher code will be sent to the email address provided when paying the voucher fees.

The University of Texas RioGrande Valley™

TSIA2 vouchers are processed Monday through Friday, 8 a.m. to 5 p.m., and all waiting times do not include evenings, weekends, and/or holidays.

If you are testing at a testing center:
- Contact the testing site that will be proctoring your exam to set up an appointment for testing.

Please communicate with the testing center where the appointment is scheduled for any additional requirements.

If you are testing remotely at home with Meazure Learning

Your voucher will contain instructions on creating an account and scheduling an appointment with Meazure Learning. Test Equipment and correct any issues that may prevent you from starting or completing your TSIA2 remote session. You will also need to download Guardian Browser.

What is needed on test day?
- Valid photo ID
- ACCUPLACER Voucher Number
- A computer that meets minimum requirements. Laptops should be fully charged and have your charger nearby.
- Guardian Browser

Additional Information:

EXAM FEE: $48 for both sections. ($32 for ELA-R and $16 for Math)

IDENTIFICATION: A valid (non expired) PHOTO ID, preferably a driver's license, recent school ID, or passport.

REFUND POLICY: All exam fees are non-refundable and cannot be transferred.

RETEST POLICY: A student may retake the TSI Assessment at any time. However, before attempting to retest, it is strongly recommended that student reviews prepara-
