4 Hour Rule – Summary

Exempt employees: To maintain consistency among departments and ensure compliance with the Fair Labor Standards Act. Partial- Day absences of exem employees will not be recorded as sick or vacation leave. There will be no docking of exempt employee for up to 3.75 hours from work. To use this leave type select Sick – Four Hour Rule and Vacation- Four Hour Rule.

For example: If an exempt employee is absent from work for a medical appointment for two hours, no sick leave will be utilized. If, however, the same employee was absent for four or more hours due to illness, sick leave will be used for the corresponding time away from work. If the absence is anticipated, the respective manager needs to pre-approved the time away and ensure appropriate coverage within the department.

These guidelines should not be constructed as permission for exempt employees to work an abbreviated schedule. Notwithstanding the foregoing, all full-time employees are expected to regularly work a 40- hour workweek or use applicable leave accruals up to 40 hours.
