Campus safety is a core priority of The University of Texas Rio Grande Valley (UTRGV) and critical to ensuring a positive learning and working environment. The 2020 Annual Security and Fire Safety Report (ASR) was prepared in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) to provide valuable campus security information and statistics about crime on our campuses.

This report includes information about policies, procedures, and programs regarding:

- how students and others should report crimes or other emergencies occurring on campus;
- security of and access to campus facilities;
- crime prevention;
- campus law enforcement and security;
- emergency preparedness;
- alcohol and drugs;
- domestic violence;
- dating violence;

Except where noted, policies indicated in this annual security report apply to all campus locations that comprise UTRGV.

The ASR also provides information about the University Police Department, including its law enforcement arrest authority, working relationships with state and local police, and its mission to protect and serve the campus community.

Further, the report includes statistics for reported Clery Act crimes that occur on campus, off campus university facilities, residence halls, and public property immediately adjacent to the campuses.

## 3. Annual Report Preparation

### Annual Security & Fire Safety Report

By October 1st of each year, the Annual Security & Fire Safety Report is distributed to all enrolled students and current employees via email. All prospective students and employees can obtain a printed copy upon request from the Office of Student Life or the University Police Department. UTRGV publishes the report on the University Police Department's website [www.utrgv.edu/police](http://www.utrgv.edu/police).

The report includes statistics for the previous three completed calendar years concerning reported crimes that occurred on campus, public property within, or immediately adjacent to and accessible from the campus locations and on non-campus buildings owned or controlled by UTRGV.

The University Clery Coordinator, which reports to the Vice President for Administrative Support Services is responsible for gathering the crime statistics from University Police Department and University officials that have significant responsibility for student and campus activities. The ASR is also prepared in cooperation with police agencies surrounding each of our campuses and non-campus locations. The University Police Department maintains cooperative working relationships with local, county, and state law enforcement agencies.

In addition to any law enforcement agencies, Campus Security Authorities (CSAs), individuals with significant responsibility for student and campus activities, are also required to report criminal incidents to the University Police Department contemporaneous with occurrence to insure inclusion, and avoid duplication of statistics in the annual report.

## 4. Campus Law Enforcement Responsibility

### Safety: A shared responsibility

The University Police Department is responsible for the general welfare of the campus community, which consists of students, faculty, staff, visitors and vendors on UTRGV campuses. It is the lead agency for the security of the University and the enforcement of all state laws and University rules and regulations relating to motor vehicles and traffic on campus.

Campus offices for the University Police Department are located at:

Edinburg: 501 N. Sugar Road  
Brownsville: 2671 FJRM Avenue  
Harlingen: 2102 Treasure Hills Boulevard

The University Police Department operates 24 hours a day, 365 days a year, and is staffed by commissioned Texas Peace Officers and supported by civilian personnel and non-commissioned Public Safety Officers. Well-marked exterior emergency telephones are located throughout the campus locations in most parking lots and all elevators. The emergency telephones can be used to report crimes, emergencies, or to request police services. They are monitored and answered by the University Police Department 24 hours a day and are tested on a weekly basis. Emergency phones found to be inoperable are marked as “out of service” and scheduled for maintenance.

Your safety is our priority and concern. As a University, we focus in the prevention of crime, fire, accidents, and other campus hazards. Equally important is your participation in preventing these types of safety risks by promptly reporting crimes and any suspicious activity to the University Police Department. UTRGV components such as Student Success, Office of Emergency Preparedness, Environmental Health, Safety and Risk Management and many others also contribute to making UTRGV a safer place to study, work and live.

This report contains valuable information that will help keep you safe, on and off campus. Please pay special attention to all safety tips. Following them may greatly increase the level of your safety and general welfare. Working together, can allow for a safer and more enjoyable learning environment.

### Police Authority

University law enforcement and security is coordinated by the University Police Department, which is a part of the University of Texas System Police (UTSP). UTRGV's police officers are designated by Article 2.12 of the Texas Code of Criminal Procedure and Article 51.203 of the Texas Education Code [statutes.capitol.texas.gov/docs/ED/htm/ED.51.htm](https://statutes.capitol.texas.gov/docs/ED/htm/ED.51.htm) as the law enforcement officers of the University and are licensed by the Texas Commission on Law Enforcement (TCOLE) with full law enforcement authority. University police officers undergo an extensive application process and through background investigation prior to employment. Before being licensed as a Texas peace officer, University police cadets attend an intensive six-month training program at The University of Texas System Police Academy, located in Austin, Texas or a local TCOLE certified training academy. The training that University Police Department officers receive exceeds TCOLE training standards for all Texas peace officers. The University Police Department officers continually receive in-service and specialized training. All officers have been trained in first aid as well as CPR and are authorized to enforce all campus regulations. University Police Officers are trained with a variety of weapon systems as well as a variety of less-than-lethal weapons.

They conduct foot, bicycle, and vehicular patrols on all campus properties and throughout the University housing community 24-hours a day, seven days a week. Peace officers employed by the University Police Department have jurisdiction and conduct patrol activity within the counties where the University of Texas System owns or leases property. The University Police Department enforces all laws of the State of Texas, as well as being responsible for public safety services such as crime prevention and community outreach programs. The University Police Department officers have jurisdictional authority and are vested with the power to investigate crime, search and arrest as authorized by law and to use reasonable and necessary force to protect life and property at all University locations. The primary jurisdiction of

peace officers commissioned by University of Texas System Police includes all counties in which property is owned, leased, rented, or otherwise under the control of the University of Texas System.

In addition to commissioned Police Officers, the University also employs non-commissioned Public Safety Officers to assist the University Police Department with security on campus by providing a visible uniform presence in University buildings and properties to deter crime and report suspicious activity to the University Police Department officers. Public Safety Officers do not have police arrest authority.

### Relationships with Other Law Enforcement Agencies

The University Police Department maintains close working relationships with local, federal, state, and other law enforcement agencies and routinely shares investigative information. In addition, University Police provides state mandated training to local law enforcement agencies and collaborates with local law enforcement to conduct full scale exercises, such as Active Shooter scenarios. The University Police Department also works closely with area Fire Departments and emergency medical service providers.

The University Police Department is routinely informed by local law enforcement agencies of any criminal activities involving UTRGV students or student organizations. This information may be shared with the Dean of Students. The University Police Department also has the ability to enter into Memorandums of Understanding (MOU'S) with local law enforcement agencies related to the investigation of criminal offenses or other police services. Currently, The University Police Department has a Memorandum of Understanding with the U.S. Department of Veteran Affairs Police defining the working relationship between the departments in the Harlingen Clinical Education Building.

### Daily Crime and Fire Log

The University Clery Coordinator maintains a daily crime log that records all crimes and other serious incidents that occur on campus, in a non-campus building or property, on public property, or within the department's patrol jurisdiction by the date the incident was reported. The daily crime log also includes the nature, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created. The department posts in the Daily Crime Log within two business days of receiving a report of an incident.

The University Clery Coordinator also maintains a daily fire log with data collected from the Department of Environmental Health, Safety, and Risk Management.

The Daily Crime and Fire Log is available for public inspection by visiting the University Police Department website [www.utrgv.edu/police/crime/](http://www.utrgv.edu/police/crime/) and a hardcopy can be requested at the following University Police Department:

Edinburg: 501 N Sugar Road  
Brownsville: 2671 FJRM Avenue  
Harlingen: 2102 Treasure Hills Boulevard

## 5. Campus Security and Building Access

Access to classrooms and office buildings for special events after normal business hours, weekends, and holidays is coordinated with the various campus departments overseeing that area. Many of the buildings, offices, labs, computer rooms, and other areas of campus are equipped with electronic access. Except for Residence Halls, academic spaces on campus are generally open one hour before the start of the first class and remain open until one hour after the conclusion of the last class. Non-academic spaces are generally open during normal business hours. Most campus buildings are typically locked on Saturday and Sunday. University Police provides security by vehicular patrol in residence hall parking lots and foot patrol of the interior common areas.

Under Texas Education Code Section 51.9315, common outdoor areas of UTRGV – meaning, the outdoor space of UTRGV property that is not used for dedicated UTRGV business or events, an educational function, or a research function either on a permanent or temporary basis – are open for assembly, speech, or other activities as are the public streets, sidewalks,

and parks, so long as a person's conduct is not unlawful and does not materially and substantially disrupt the functioning of UTRGV. Buildings and structures of UTRGV, however, are not open for assembly, speech, or other activities as are the public streets, sidewalks, and parks. Pursuant to the authority conferred upon the Board of Regents by *Texas Education Codes* Section 51.209, in order to protect the safety and welfare of students, employees, and other participants in the programs and activities of the institution it shall be unlawful for any person who is on the property to refuse to identify himself or herself in response to a request by an institutional representative. Persons having no legitimate business to enter on campus may be ejected from the campus on his or her refusal to leave peaceably on request. UTRGV maintains an open-campus policy, but access to the campus facilities may be restricted as necessary to meet safety and security requirements as determined by University officials.

## Campus Carry Law

The 84th Session of the Texas Legislature passed Senate Bill 11, known as the "campus carry" law. Individuals who hold a license to carry a handgun may carry a concealed handgun on the grounds of or in buildings of an institution of higher education such as UTRGV.

To ensure compliance with Section 411.0231 of the Texas Government Code (also known as the "campus carry law") while maintaining UTRGV commitment to providing a safe environment for its students, faculty, staff, and visitors, UTRGV adopted Handbook on Operating Procedures (HOP) policy ADM 02-400: *Concealed Handguns and Other Weapons on Campus* at [www.utrgv.edu/hop/policies/adm-02-400.pdf](http://www.utrgv.edu/hop/policies/adm-02-400.pdf), effective August 1, 2016.

The policy applies to all individuals who may work, attend classes, conduct business, or visit any campus location of UTRGV, including without limitation, employees, faculty, trainees, students, patients, visitors, volunteers, contractors, commercial tenants, or vendors. This policy does not apply to peace officers as defined in Article 2.12 of the Texas Code of Criminal Procedure, and does not apply to military service members or officers, inspectors, or investigators employed by a federal agency who are carrying a weapon in the discharge of official duties.

## University Housing

Access to the University's residence halls is restricted to student occupants, escorted guests and authorized University personnel. Unescorted persons are prohibited in the residence halls. Visitation hours for all buildings are Sunday through Thursday from 10:00 a.m. to 1:00 a.m. and Fridays to Saturdays from 10:00 a.m. to 2:00 a.m.

UTRGV does not have student organizations that own or control off campus housing. Residents should immediately report lost access cards, lost keys, malfunctioning locks and gates to their respective Housing Coordinator.

### *Heritage, Troxel, and Unity Residence Halls (Edinburg):*

Access to Heritage, Troxel, and Unity Residence Halls is through the main entrance that is supervised by Residence Life staff and has an electronic locking system with card access.

### *Casa Bella Apartments (Brownsville):*

Casa Bella is a gated apartment community with code access through the main entrance.

### *The Village Apartments (Edinburg):*

Access to The Village Apartments is not restricted.

## Facilities Management

Facilities Planning and Operations maintains the buildings, grounds and utility systems for UTRGV. Students are encouraged to report maintenance problems such as missing lights, plumbing problems, or elevators that are not in service to the nearest departmental office. If departmental offices are closed, please report any safety issues to the University Police Department at 956-882-4911.

Facilities personnel respond to reports of inoperable doors, inoperable lights, malfunctioning smoke alarms, broken windows, and requests from the University Police Department. The University Police Department, Environmental Health,

Safety and Risk Management, and Facilities Operations survey campus lighting, monitor those areas having defective fixtures, and report the deficiencies to the appropriate personnel for corrective action. Residence Life staff make regular rounds of the facilities on a daily basis checking for maintenance problems that may pose a hazard to residents' safety and security. Outdoor emergency telephones are connected directly to the University Police Department and located at various locations throughout the campuses.

## 6. Campus Safety Initiatives and Resources

### General Information

The University Police Department takes a comprehensive approach to campus safety and has a number of initiatives that reduce the risk of an individual becoming a victim of crime. The University Police Department has certified Crime Prevention Officers on staff that have received various training in crime prevention and physical security.

The campus's crime prevention strategy rests on a multilayered foundation of proactive patrol of the campus, crime prevention trainings, buildings, area security surveys, and property registration. This approach relies on the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging community members to take responsibility of their own and other's safety.

### **The Office of Student Rights & Responsibilities (SRR)**

The Office of Student Rights & Responsibilities' primary focus is to provide guidance and support to students by addressing a broad spectrum of issues that may act as barriers to their success. The office enforces University community standards through the administration of the UTRGV Student Code of Conduct, STU 02-100 and provides information along with programming to the University community regarding student discipline, judicial hearings, appeals, grievances, students of concern and academic misconduct concerns. The purpose of the University discipline system is to promote student development by addressing behaviors that are inconsistent with community standards and expectations, as defined by the Code. The office conducts fair and impartial hearings regarding alleged violations of the Code, and when appropriate administers proactive and educational sanctions. Student Rights & Responsibilities often coordinates its services with other campus offices in an effort to serve students to the fullest extent. When appropriate, referrals will be made to other University offices to best serve students.

Violations of the Student Code of Conduct are encouraged to be reported to the Office of Student Rights & Responsibilities, which may conduct an investigation or contact the University Police Department if the reported activity appears to be criminal in nature. Student Rights & Responsibilities provides an online reporting system, called Vaqueros Report It, [www.utrgv.edu/en-us/student-experience/report-it/](http://www.utrgv.edu/en-us/student-experience/report-it/) which allows students, staff, and faculty to report any behaviors of concern that occur involving UTRGV students, faculty, staff or departments, whether these behaviors occur inside or outside of the classroom setting. Reportable behaviors may include Student Code of Conduct concerns, academic dishonesty violations, or any other behaviors of concern that may need to be addressed or would like to be discussed.

Student Rights & Responsibilities also endeavors to create a community of respect through the Superhero Project, an active bystander initiative, which encourages students to intervene when they see fellow students engaged in risky behaviors, such as alcohol use/abuse, sexual misconduct, academic dishonesty, violations of the student code of conduct, and suicidal ideation. The Superhero Project provides training and resources to the campus community.

3. Call the Compliance Hotline

The Compliance Hotline is available for situations where conventional channels are uncomfortable or otherwise inappropriate, or for times when you wish to raise a concern anonymously. The Hotline is operated by an outside company not affiliated with UTRGV and is available 24 hours a day, 365 days a year.

Your call will be taken by a trained professional who will ask you questions about your concern. Calls can be taken in English or in Spanish. Calls can be made anonymously and will not be traced.

You do not need to know the exact law, regulation or policy, or be certain a violation has occurred or will occur. If you are uncertain, the better course of action is to report. It is important that you provide enough information to allow your concerns to be adequately investigated and addressed.

UTRGV policy ADM 04-301: Non-Retaliation at <https://www.utrgv.edu/hop/policies/adm-04-301.pdf>, prohibits retaliation against anyone who, in good faith, reports an instance of suspected non-compliance or participates in a compliance investigation.

## 8. Policies for Reporting Crimes

The University Police Department is responsible for the welfare of students, faculty and staff on all UTRGV campuses. The University Police Department is responsible for the security of the University and the enforcement of all state laws and University rules and regulations relating to motor vehicles and traffic on campus. The University Police Department is open 24 hours a day, 365 days a year and is staffed by commissioned Texas Peace Officers and supported by non-commissioned Public Safety Officers, Telecommunication Officers and other civilian personnel. Emergency telephones are located throughout UTRGV campuses, including parking lots and all elevators. These emergency phones can be used to report crimes, emergencies or to request police services. Emergency phones are monitored and answered by the University Police Department's Communications Center. In addition, UTRGV provides a cell phone App (CampusShield) that can be utilized to contact the police department to report crimes, emergencies, or to request police services. The CampusShield App can also be used to make anonymous reports.

### Promptly Reporting Crimes

UTRGV Police Department encourages accurate and prompt reporting of all criminal offenses, including incidents when the victim of a crime elects or is unable to make such a report. In case of an emergency or to report a crime, you should call 956-882-4911 or 911.

Individuals who may be victims, complainants, witnesses to a crime, or otherwise become aware of a crime, are strongly encouraged to timely report the incident to the police or a Title IX Responsible Employee.

UTRGV Responsible Employees have a duty to report incidents of and information reasonably believed to be Sexual Misconduct as defined within ADM 03-300 to the Office of Institutional Equity & Diversity. All employees at UTRGV are Responsible Employees except those individuals specifically identified as Confidential Employees (such as individuals with the Office of Victim Advocacy & Violence Prevention and any employee with confidentiality privileges as specified within ADM 03-300. Responsible Employees include all administrators, faculty, staff, police officers, resident life directors and advisors, and graduate teaching assistants. Responsible Employees must report all known information concerning the

incident to the Office of Institutional Equity & Diversity and must include whether a Complainant has expressed a desire for confidentiality in reporting the incident.

All students, employees, and guests should promptly report all criminal incidents, accidents, and medical emergencies to the University Police Department using the telephone numbers listed on this page or the CampusShield App. Individuals may also report incidents in person at the University Police Department. Upon receipt of the call, University police officers are dispatched on a priority basis according to the seriousness of the calls received. Once a crime is reported, and if appropriate, the officer will complete a police report after the required action has been taken. Reports of criminal offenses are forwarded to the Criminal Investigations Division (CID) of UTRGV Police Department. To check on the progress of an investigation a person may contact the CID at 956-665-3273.

Campus Security Authorities are individuals who have significant responsibility for student and campus activities such as department chairs, resident assistants, athletic staff, student affairs staff, and student organization advisors. The Campus Security Authorities may also contact the University Police Department for further assistance and may refer reports to Student Rights & Responsibilities for further disciplinary action.

While reports can be made to any Campus Security Authority, several recommendations are listed below:

## Confidentiality

Crimes reported to professional counselors at UTRGV's Counseling Center are exempt from disclosing information to the UTRGV Police Department (except by law in cases where there is an immediate threat to the safety of individual, other persons, children, or the elderly) because of their function within the scope of their professional license or certification as a counselor. These officials also encourage complainants they counsel to report crimes on a voluntary, confidential basis for inclusion in annual crime statistics.

## Crime Reporting Methods for Off-Campus Locations

Reports of crimes that occur off-campus may also be made to UTRGV Police Department and the proper law enforcement agencies will be contacted if necessary.

On an annual basis, the Clery Coordinator makes every attempt to obtain crime statistics for non-campus buildings and public property from the law enforcement agencies with jurisdictions for their respective areas.

Once again, the University Police Department **strongly encourages** crime complainants to report all criminal activity to police in order to insure prompt evaluation for timely warning or emergency notification and for inclusion in the statistics for the ASR.

## 9. Reporting & Preventing Sexual Misconduct & Power-Based Violence

### Policy Statement

It is the policy of The University of Texas Rio Grande Valley to provide an educational and working environment for our students, faculty and staff free of sexual misconduct. This commitment is core to our institutional culture, reflected in our policies and practices, and is in accordance with state and federal law, such as Title IX and the Clery Act.

UTRGV prohibits the crimes of sexual misconduct, which includes non-consensual sexual contact, sexual assault, sexual exploitation, interpersonal relationship violence (such as dating and domestic abuse, gender-based discrimination, stalking, and sexual harassment).

### Applicable Policies

Policies that address sexual misconduct and gender-based misconduct are UTRGV Handbook of Operating Procedures ADM 03-100: *Non-Discrimination & Complaint Procedure*; ADM 03-300: *Sexual Misconduct*; ADM 03-400: *Consensual Relationships*; and STU 02-100: *Student Conduct and Discipline*. These and other important University policies are publicly available on our University website: [www.utrgv.edu/hop/](http://www.utrgv.edu/hop/)

### Reporting Sexual Misconduct

The University strongly urges students, faculty, staff, and third parties to report sexual misconduct to the Title IX Coordinator, a Deputy Title IX Coordinator, a Responsible Employee, or University Police. The University Police Department is not contacted when sexual misconduct occurs, unless a victim wishes to make a formal report or there is an emergency threat to health or safety. Victims of sexual misconduct can secure information confidentially through the

Office for Victim Advocacy & Violence Prevention, if he or she is not ready to make a formal report to the police. If requested, Campus Security Authorities (CSA) can help victims of sexual misconduct report to law enforcement, but CSAs may also honor a victim's or survivor's request not to do so.

If the victim is incapacitated or is unable to make a report, a report should be filed on behalf of the victim. Reporting is best done as soon after the incident as possible but may be done at any time. Individuals also having knowledge of a sex-based crime (including dating violence, domestic violence and stalking) are strongly encouraged to timely report that crime to the police. These individuals are also encouraged to contact the service providers identified below to discuss options for safe and positive intervention on behalf of the victim.

#### UTRGV Title IX Coordinators

Role	Position Title	Department Location	Phone
Title IX Coordinator	Chief Institutional Equity & Diversity Officer	Office of Institutional Equity & Diversity EMASS 2.124 - Edinburg Campus	956-665-2103
Deputy Coordinator: Students	Associate Dean for Student Rights & Responsibilities	Student Rights & Responsibilities Cavalry#204 - Brownsville Campus	956-882-5140

Deputy Coordinator: Staff & Faculty	Human Resources Business Partner	Human Resources MASS 2.140 - Edinburg Campus	956-665-3815
Deputy Coordinator: School of Medicine (SOM)	Associate Dean for Student Affairs	SOM Student Affairs EMEBL 1.129A Edinburg Campus	956-296-1414

A complainant can pursue a criminal charge and a University disciplinary charge at the same time; however, students may also choose to pursue a disciplinary complaint without pursuing criminal charges. Complainant support and resources are available even if a victim elects not to pursue criminal charges or University disciplinary action.

The University strongly encourages the prompt reporting of sexual misconduct and power-based violence. Delays in reporting can greatly limit the University's ability to stop alleged misconduct, collect evidence or take effective action against individuals or organizations accused of violating policy.

#### Declining to File a Report

As noted above, victims and UTRGV students have the right not to file a report. However, victims are highly encouraged to seek medical attention, including counseling, either on- or off-campus. Victims and students who wish to file a report at some future date may do so by contacting University Police or the Title IX Coordinator.

Please note, a delay in reporting could weaken or result in a loss of evidence used to determine whether an individual is responsible for sexual misconduct.

#### How to Report

Sexual misconduct reporting options, such as OIED Report It, are easily accessible and a comprehensive list of ways to report is available on the Office of Institutional Equity & Diversity website: [www.utrgv.edu/equity/](http://www.utrgv.edu/equity/).

Reports to UTRGV can be made anonymously.

#### Confidentiality & Reporting

The degree to which confidentiality can be protected, depends upon whether the individual to whom the sexual misconduct is reported serves as a mandatory reporter. Under Texas law all UTRGV employees are required to report to the Title IX Coordinator or a Deputy Title IX Coordinator conduct reasonably believed to be sexual harassment, sexual assault, stalking or dating violence by or against a student or employee at the time of the incident. In addition, certain

employees at UTRGV must also report to the Title IX Coordinator all known incidences of sexual misconduct (a broader category of misconduct) committed by or against a student or employee; these employees are referred to as, “Title IX Responsible Employees.” All employees should make their mandatory reporting obligation(s) clear, prior to a disclosure, and it is best if complainants ask the person that they outcry to if that individual has any mandatory reporting obligations.

When choosing a reporting resource, please consider that privileged reporting consists of those communications that legally can’t be disclosed to any other person without the reporting person’s consent, except under very limited circumstances, such as an imminent threat of danger to self or others or if the complainant is a minor.

Under state law, UTRGV Confidential Employees are required to report, at a minimum, statistical de-identified information, related to reports of sexual assault, dating violence, stalking and sexual harassment. Confidential Employees include advocates and counselors with OVAVP, counselors in Counseling Center, health care providers in Health Services, researchers conducting Institutional Review Board (IRB) approved research studies involving student participants, an employee serving as an advisor for a student respondent or student complainant under ADM 03-300, or pastoral counselors. Additionally, employees who receive information regarding an incident of sexual misconduct under circumstances that render the employee’s communications confidential or privileged under other law (such as attorneys) are also considered “Confidential Employees.”

Confidential Employees may not include any information that would violate a student’s expectation of privacy. The Confidential Employee’s duty to report an incident under any other law also applies.

A person may speak confidentially (as discussed above and in accordance with ADM 03-300) with:

- Office of Victim Advocacy & Violence Prevention Staff
- University Counseling Center (Counselors, Psychiatrists, or Psychologists)
- University Health Service Medical Staff (Physicians, Nurses, or Nurse Practitioners)
- Off-Campus clergy, counselors, physicians, and certain social service agencies.

**Confidential employees report only statistical information.**

#### **Family Educational Rights and Privacy Act (FERPA)**

The Family Education Rights and Privacy Act (FERPA) protect students’ education records, including reports made to the Title IX Coordinator(s) and disciplinary complaints made to the Dean of Students Office. FERPA prohibits the University from releasing these records to persons outside the institution without the students’ consent, except in response to lawful subpoena or as otherwise required by law.

### **Seeking Medical Care/Emergency Room Examination**

Any person who has been the victim of a sex-based crime may go directly to the emergency room of any local hospital for medical attention, although it is preferable to go to a medical facility that has dedicated forensic nurses (SAFEs or SANEs) on staff – these are listed below. For life-threatening conditions, call 911, or the University Police Department at 956-882-4911.

Students are not required to criminally prosecute the case or file a police report, unless the sexual assault survivor is a minor. Students also can seek treatment or advice at University Student Health for any medical concerns including: physical exams, treatment of sexually transmitted infections, pregnancy testing, and/or to obtain emergency contraception. All medical information and services provided are considered confidential. However, if a student decides to pursue criminal or civil legal action, the student will be required to sign a Health Service Medical Information Release Form to allow their attorney, the police, or the University to gain access to medical information applicable to the sexual misconduct.

Area hospitals that can provide rape exams and evidence collection are:

Hospital	Directory Information
Doctors Hospital at Renaissance	956-362-8677 5501 S. McColl Rd. Edinburg, TX 78539
Valley Baptist Medical Center	956-389-1100 2101 Pease St., Harlingen, TX 78550

Students are encouraged to have an exam conducted as quickly after the incident as possible.

### Medical-Legal Evidence Collection

A person who has been the victim of dating violence, domestic violence, stalking, or sex-based offenses (particularly rape, forcible oral copulation, or sodomy) is urged to request collection of medical-legal evidence. Collection of evidence entails interaction with police and a police report. Prompt collection of physical evidence is essential should a person later decide to pursue criminal prosecution and/or a civil action. If the sex-based offense occurred within 72 hours, a free and confidential exam can still be administered at local hospitals. However, the sooner sex-based offenses are reported, the more likely evidence will remain.

To help preserve evidence, the victim is encouraged to try to avoid:

- bathing or douching
- washing hands or face
- urinating
- drinking any liquids
- if oral contact has occurred, the complainant is encouraged to refrain from smoking, eating, or brushing their teeth
- if clothes are changed, soiled clothes should be placed in a paper bag (plastic can destroy crucial evidence)

### Counseling

Counseling can be obtained following an incident involving sexual misconduct, no matter how much time has elapsed since the incident. On and off-campus resources are available 24 hours a day, 7 days a week for students, faculty and staff members. A list of the available resources can be accessed on the Counseling Center website at: [www.utrgv.edu/counseling/services/](http://www.utrgv.edu/counseling/services/).

On-campus counseling services are available for students at the Counseling Center located in the University Center Room 109 (Edinburg) or Student Union Room 2.10 (Brownsville).

Counseling services are free and confidential. Counseling services are available for faculty and staff through UT Employee Assistance Program or through psychological services provided through their individual insurance and is confidential. The Rape Crisis Center of Mujeres Unidas/Women Together in McAllen (956-630-4878) or Friendship of Women in Brownsville (956-544-7412) provides emergency services for victims of family violence, legal advocacy, transitional supportive Housing, and other services for survivors of sexual assault, abuse, or incest.

### Immediate Response Following a Report of Sexual Misconduct

When a report is received by UTRGV, the University through the Title IX Coordinator, a Deputy Title IX Coordinator or a Responsible Employee, will first urge the student, staff and faculty to attend immediately to any medical needs. The person making the report is provided information as to medical resources and related support service resources. The complainant, the person making the report, will also be informed of his or her right to file a police report or file a disciplinary complaint against the respondent, the person accused of misconduct, and may be given a copy of ADM 03-300, the sexual misconduct policy. If desired, the Title IX Coordinator or a Deputy Coordinator will also help that person contact the University Police or the Office for Victim Advocacy and Victim Prevention.

Please note that confidential medical and counseling records regarding the complainant's sexual history is not provided to the respondent and is not admissible at any University disciplinary proceeding.

Supportive measures are also evaluated pursuant to ADM 03-300, such as screens to reduce the likelihood of interactions between a student complainant and student respondent in residence halls, campus buildings, and as relates to student activities.

#### **Timely Warning and Emergency Notifications**

If a report of a sex-based offense reveals that there is an immediate threat to the health or safety of students or employees on campus, or that an on-going serious or continuing threat to the campus community exists, a Timely Warning will be issued. The purpose of the Timely Warning is to enable individuals to protect themselves and to increase safety awareness, as well as to seek information that will lead to the arrest and conviction of the perpetrator. The complainant's name and other personally identifiable information will **not** be included in any Emergency Notification or Timely Warning.

#### **Protective Orders and No Contact Orders**

UTRGV complies with Texas law in recognizing Protective Orders through the Crime Victims' Compensation Act. A Protective Order is a civil court order, a violation of which can be a crime, which is issued to protect a person from continuing acts of family violence or stalking. It will direct the abuser to stay a certain distance (usually 200-500 feet) away from the protected person's home, school, or place of employment, prohibit the abuser from committing conduct that would harass or alarm the protected person, and prohibit the abuser from committing further acts of violence or stalking against the protected person. A victim must apply for a Protective Order through the court system; UTRGV Victim's Services will assist the victim with starting this process. Detailed information about how to apply for a protective order is provided to the victim on the [OIED website](#). If a student or employee has a Protective Order, UTRGV strongly encourages they provide a copy of the Protective Order to the UTRGV PD who can assist in enforcing the order if necessary. UTRGV may issue an institutional no contact order if deemed appropriate or at the request of the complainant or respondent. If UTRGV receives a report that such an institutional no contact order has been violated, it will initiate disciplinary proceedings appropriate to the status of the respondent (student, employee, etc.) and will impose appropriate sanctions if the respondent is found responsible for violating the no contact order.

#### **Summary of Sexual Misconduct Administrative Complaint Process**

The University responds to all reports, and if appropriate, conducts formal investigations pursuant to ADM 03-300. Investigations are conducted in a fair, prompt, and impartial manner. As needed, the University may adopt remedial measures or sanctions based on the situation. The standard of evidence used when investigating and resolving complaints is the preponderance of the evidence standard.

#### **Rights of the Complainant & Respondent**

- Protection under applicable privacy laws (e.g. Title IX & FERPA)
- To be informed of the University's complaint handling and disciplinary process
- To the presence of an advisor they may advise but may not participate unless responding to a direct question from the hearing officer to the advisor
- An opportunity to respond to findings
- To be informed of the outcome

## Preliminary Assessment & Investigations

- The designated University official will review the complainant's report.
- Contact between the two parties will be limited to the extent possible given the circumstances
- If a formal investigation is opened, the University official will seek and review relevant evidence.
- At the conclusion of the interviews, the University official will prepare a report of the findings of the investigation and both parties will be notified.
- During any stage of the investigation, if the respondent is determined to pose an imminent threat of harm or disruption to the campus community, the University official may initiate an interim disciplinary action.

The purpose of investigations, which includes interviewing the parties and witnesses, is to gather and assess evidence. All investigators receive appropriate training regarding issues related to prohibited sexual misconduct and gender-based discrimination and on how to conduct investigations that are equitable, impartial, and that promote safety and accountability. Complainants, witnesses and respondents are protected from coercion, intimidation, interference, harassment, retaliation, and discrimination for filing a complaint or assisting in an investigation pursuant to ADM 03-300.

## Findings

If the University official finds, by the preponderance of the evidence, that the alleged violation did occur, the University will take disciplinary action pursuant to ADM 03-300.

If a policy violation is found against a student, students are afforded an opportunity to appeal. Although procedural requirements are not as formal as those existing in the courts of law, the student conduct disciplinary process provides procedural safeguards for complainant and respondent alike. Both the complainant and the respondent are entitled to the same opportunity to:

- access information that will be considered by a hearing official,
- present relevant witnesses and other evidence, and
- have others present during the hearing and related meetings or proceedings.
- University resources and services, such as counseling and academic support, will be made available to the complainant and respondent.

## Student Sanctions

Regardless of whether criminal charges are filed, students found to be responsible for sexual misconduct may be subject to University judicial sanctions. Sanctions against a student who has violated the Student Code of Conduct include suspension and probation and may vary depending on the severity of the violation and the accused's conduct history. The sanctions for non-consensual sexual intercourse also depend on the record and the violation, which may include expulsion, suspension, removal from campus housing, educational intervention, no-contact orders, loss of privileges, and restrictions from participating in extracurricular activities. Both the complainant and the respondent will be informed in writing of the outcome of each stage of the disciplinary proceedings.

- Both the complainant and the respondent may appeal based on the grounds specified in the Student Code of Conduct – Section F using the appeal process specified or ADM 03-300, as applicable.

An accused student, in accordance with the Student Code of Conduct and ADM 03-300, may be suspended from the University on an interim basis, pending the final outcome of the disciplinary proceeding, if the specifics of the case warrant such action.

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

## Important University Definitions Specific to Sexual Misconduct

The definitions specific to sexual misconduct (listed in Appendix A) are the definitions adopted by the University, in accordance with policy ADM 03-300 Sexual Misconduct. Please note that in any criminal action brought by law enforcement, the criminal definitions would apply.

UTRGV recognizes that two consenting adults should be free to conduct a personal relationship if they so wish when the relationship does not interfere with the goals and policies of UTRGV; however, some romantic, dating, or sexual relationships, although consensual, do create conflicts of interests. UTRGV has established policy, ADM 03-400 Consensual Relations and can be found at [www.utrgv.edu/hop/policies/adm-03-400.pdf](http://www.utrgv.edu/hop/policies/adm-03-400.pdf).

### Texas State Law Definitions

If a person would like to press criminal charges for an alleged violation of a criminal law, or would like to seek an order of protection, the definitions contained in the Texas Penal Code and Texas Family Code would apply, not the definitions used in our University policies, identified above.

These definitions are not used for the purpose of reporting Clery Act statistics.

(Clery Crime definitions are listed in Appendix A).

- Abuse, as that term is defined by Sections 261.001(1)(C), (E), and (G) Tex. Fam. Code, by a member of a family or household toward a child of the family or household; or Dating violence, as that term is defined by Section 71.0021 Tex. Fam. Code.

    - is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the victim in fear of imminent physical harm, bodily injury, assault, or sexual assault.
- For purposes of this title, "dating relationship" means a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on consideration of: the length of the relationship; the nature of the relationship; and the frequency and type of interaction between the persons involved in the relationship.
- A casual acquaintanceship or ordinary fraternization in a business or social context does not constitute a "dating relationship."

#### **Prevention Programming Specific to Power-Based Violence and Sexual Misconduct**

Power-based violence happens when someone uses power, control, or intimidation to harm someone physically or emotionally. With the goal of maintaining and fostering a University living, learning, and working environment for students that is free of sexual misconduct and power-based violence, the University sponsors education and awareness programs and activities, as described in earlier sections of this ASR, and identifies available support service resources via print and online media, also as described above. Educational programs that raise awareness to incoming students and employees are conducted during orientations and throughout the year. This programming includes research-based best practices regarding violence awareness and prevention, healthy relationships, bystander intervention, and risk reduction without

victim-blaming. This programming is designed to decrease perpetration and bystander inaction and increase empowerment for victims, in order to promote safety, to help individuals, the campus and local community to address conditions that facilitate violence.

## 10. Missing Student Notification Policies

Should anyone believe that a student is missing, they should **immediately** contact the University Police Department or a Residence Life or Student Affairs staff member.

When resident students move into their residence halls, they are given the opportunity to identify a person that UTRGV shall notify within twenty-four (24) hours of a determination by the University Police Department or appropriate police authorities that the student is missing. Student contact information can be updated on the My.UTRGV.Edu – Assist and is kept confidential. Unless otherwise required by law, contact information will only be accessible to authorized campus officials and law enforcement personnel as part of a missing person investigation. However, should an un-emancipated student under the age of eighteen be determined as missing, in addition to notifying the designated contact person, the University is required, by law, to notify the custodial parent or guardian within twenty-four (24) hours of such determination. The University Police Department will immediately investigate the missing student report. If the student is not located during the ensuing twenty-four (24) hours, or sooner as conditions may dictate, the University will notify the appropriate police authorities as well as the student's confidential contact person (and/or parent as necessary.)

For the complete policy please read STU 01-400: *Notification Regarding Missing Resident Students* at: [www.utrgv.edu/hop/policies/stu-01-400.pdf](http://www.utrgv.edu/hop/policies/stu-01-400.pdf)

## 11. Safety Tips

Whether on campus or any public place, here are some general safety tips to keep in mind:

- Travel in groups-often there is safety in numbers. If you are going to separate from your group, tell someone when you will return. Take a cell phone with you.
- Park in well-lit areas.
- If you feel threatened, cross the street or enter a store or business.
- Have your keys in hand as you approach your car. Check under the car and the back seat before you enter.
- Alcohol and other drugs can impair your perceptions and decision-making. Do not place yourself in a vulnerable position by being intoxicated or under the influence of other drugs.
- If you do drink, set a limit and stick to it. Don't drink on an empty stomach. Also: don't leave a drink unattended. If you are away from your drink any amount of time, toss it. It's not worth the risk.

### Out & About

- **Use the CampusShield Mobile App** to request the **Safe Walk** program. Officers will walk students between campus locations 24 hours a day, 7 days a week. Call 956-882-7777 to request the service. Check out how to download and other App features at [www.utrgv.edu/police/services/mobile-app/](http://www.utrgv.edu/police/services/mobile-app/)
- If you feel threatened or if you want to report something suspicious, use one of the **Emergency Phones** on campus. The phones, distinguished by their blue lights, connect directly to the University's Police Communications Center 24 hours a day.
- Program the University's police emergency number line into your cell phone: **956-882-4911** or call 911.
- Notify the University Police Department if you notice anything suspicious or unusual.

### In the Residence Halls

- **Always** lock your door; even when you are sleeping or just going down the hall.
- **Report** lost or stolen residence hall keys immediately to your residence hall staff.
- **Report** any malfunctioning locks, doors, or windows to your residence life staff.

- **Do not** allow strangers to enter your room or your residence hall.
- **Do not** prop any exterior doors open to allow unescorted visitors into the residence hall.
- **Do not** leave your keys lying around in your room when you are not in the room.
- **Do not** leave messages on your door about when you will be returning to your room.

### Living in Off-Campus Housing

- **Always** lock doors and windows. Many times thieves enter through unlocked doors and windows. Ask your landlord to install a deadbolt, if one is not present.
- **Do not** answer the door in the middle of the night unless you are expecting someone. Ask your landlord to install a peephole in your front door. If you see someone unexpected at your door during the overnight hours, call 911.
- If you are leaving home, leave on a light or a radio or a TV to make it appear that someone is home.
- Let the University Police Department know if a streetlight is out.

## 12. Emergency Preparedness

### Emergency Response Procedures

The UTRGV Office of Emergency Preparedness (OEP) [www.utrgv.edu/emergencypreparedness/](http://www.utrgv.edu/emergencypreparedness/) is committed to openly engaging the university community in preparation, response, recovery and mitigation of emergencies through an all-hazards approach. OEP's highest priority is to help provide a safe and secure environment for UTRGV students, faculty, staff, and visitors. The Office of Emergency Preparedness works cooperatively with all members of the UTRGV community, University of Texas System, Texas Division of Emergency Management, Cameron County and Hidalgo County Emergency Management, City of Brownsville Office of Emergency Management and City of Edinburg Fire Department to achieve this objective.

To further enhance safety/security OEP has established an Emergency Operations Plan (EOP) which is available at: [www.utrgv.edu/emergencypreparedness/files/documents/emergency-operations-plan.pdf](http://www.utrgv.edu/emergencypreparedness/files/documents/emergency-operations-plan.pdf), with threat specific annexes to provide a comprehensive, all-hazards approach to emergency management. The EOP is an operational plan that establishes policies, procedures, responsibilities, and organizational structure to be implemented during emergencies and disasters, both during campus-wide emergency planning and during an actual emergency incident. OEP encourages the university community to stay engaged in preparedness by knowing what types of threats/hazards are of concern on campus, how to prepare for and respond to emergencies, and the importance of staying informed during an emergency.

### UTRGV Incident Management Team

UTRGV has also established an Incident Management Team (IMT) to carry out its EOP in the event that it is activated. Large-scale emergencies require a coordinated response effort between the University and local emergency response agencies. The IMT is comprised of members from the following divisions:

- Academic Affairs, Student Success, and P-16 Integration
- Athletics
- Deputy President
- Finance & Administration
- Governmental and Community Relations
- Health Affairs & Dean, School of Medicine
- Research, Graduate Studies & New Program Development

and other supporting departments. During an actual emergency, the IMT evaluates information from various sources and provides feedback and support to the Emergency Management Coordinator. The IMT's support role during an emergency incident is carried out in UTRGV's Emergency Operations Center (EOC) or remotely via phone. The UTRGV Emergency Management Coordinator is responsible for overall management of the IMT operations.

## Emergency Response

The UTRGV Police Department (UTRGV PD) is the primary first responder to any emergency situation on all UTRGV campuses. University and city emergency responders, such as UTRGV's Environmental Health, Safety and Risk Management (EHSRM), City Fire Departments, and City Police Departments among others, may also respond to the emergency scene depending on the scope of the emergency. UTRGV's OEP has developed an Emergency Reference Guide (ERG) which is available on the OEP webpage: [www.utrgv.edu/emergencypreparedness/files/documents/emergency-desk-ref-guide-utrgv.pdf](http://www.utrgv.edu/emergencypreparedness/files/documents/emergency-desk-ref-guide-utrgv.pdf). The ERG provides information regarding protective actions to be taken during emergencies, such as an active shooter incident, suspicious package discovery, tornadoes and severe weather, hazardous materials, and medical emergencies among other situations. The ERG outlines how to shelter-in-place and what to do during an evacuation. It also provides emergency contact phone numbers.

## Evacuations

In most cases, evacuations apply only to buildings immediately affected. In some cases, the evacuation could apply to the entire campus. Some potential causes for emergency evacuations may include, but are not limited to a major fire or explosion, hazardous materials release, structural failure, bomb threat, chemical/biological/radiological spill. Evacuations are typically prompted by continually sounding fire alarms or by an official announcement through UTRGV's emergency notification system, and are advised not to re-enter the building until the all-clear is given by either UTRGV PD or by an official announcement via UTRGV's emergency notification system.

## Confirmation of an Emergency or Dangerous Situation

To confirm a significant emergency or dangerous situation is occurring on campus, UTRGV police officers are dispatched to the location where the incident has been reported. If responding officers confirm that a significant emergency or dangerous situation is occurring, the police field supervisor will ensure that appropriate UTRGV officials are notified by the UTRGV police dispatch center.

## Emergency Notifications

UTRGV automatically enrolls students, faculty, and staff into UTRGV's emergency notification system with contact information (university email address and mobile number) provided to the institution.

Emergency Notifications are sent via:

- Cell phone
- Text message
- University email address
- Desk top notification to University-managed desktops or computers.
- University's official Facebook and Twitter page.

Guests visiting UTRGV can enroll into receiving emergency notification text messages by texting a specific "hashtag phrase" to 888-777, this information is given to event and camp coordinators to distribute to event or camp attendees.

The Office of Emergency Preparedness (OEP) administers and conducts monthly testing of the emergency notification system.

OEP staff and UTRGV Police Communication Operators are trained on how to activate the emergency notification system, develop messages and alerts, and are authorized to send an Emergency Notification to the UTRGV campus community without prior administrative approval if any significant emergency or dangerous situation were to occur on campus.

UTRGV administrators will be promptly notified and briefed by the Chief of Police, or the designee, of any major incidents.

Upon the confirmation of a significant emergency or dangerous situation involving an immediate life threat to students, faculty, or staff occurring on any UTRGV campus, the UTRGV Police Communication Operators or the UTRGV Emergency Management Coordinator will send an emergency notification unless in the professional judgment of emergency response

officials, the notifications will compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Some examples of significant emergencies or dangerous situations are:

- Outbreak of meningitis, norovirus;
- Fire;
- Tornado;
- Gas leak;
- Armed intruder;
- Bomb threat;
- Civil unrest or rioting;
- Explosion; and
- Nearby chemical or hazardous waste spill;

The University will also post information on its homepage at [www.UTRGV.edu](http://www.UTRGV.edu). UTRGV's University Marketing and Communications is charged with notifying the media in the event of an emergency. Updated information will be posted to the University's website and provided to the media as available.

### Emergency Preparedness Exercises

UTRGV's Emergency Management Coordinator develops emergency preparedness exercises and coordination activities to test emergency plans and capabilities. These preparedness exercises provide the university's emergency responders and Incident Management Team members the opportunity to learn their roles, responsibilities, and procedures before an actual emergency. All exercises are designed using the Homeland Security Exercise and Evaluation Program (HSEEP) methodology to ensure consistency with the National Incident Management System and Incident Command System. Emergency exercises are evaluated with after action reports, meetings, and identify discussion of lessons learned to explore new or improved means of coordination before, during, and after an emergency at any UTRGV campus.

Emergency preparedness Full-Scale Exercises are conducted annually and announced to the campus community via university email, text message, and is published on the main UTRGV Facebook and Twitter page. To avoid panic or confusion local news media and local, county and state, emergency management and emergency response agencies are advised of these exercises in advance of the full-scale exercise date, and are advised of the start and finish time.

Emergency preparedness functional exercises, which include tabletop exercises or workshops are only announced to exercise participants and not to the campus community as these do not interfere with day to day campus operations. All emergency preparedness exercise reports are maintained internally with UTRGV's OEP. Emergency preparedness functional exercises typically including participants from local, county and state, emergency management and emergency response agencies.

### Timely Warnings

In the event that a crime occurs on University controlled locations, or on surrounding public property, and in the judgment of the University Police Department the crime constitutes a serious or on-going threat to the campus community, a Timely Warning will be drafted and issued by the University Police Department. The Timely Warning will then be published electronically via the UTRGV email Listserv to all current University students, faculty, and staff. The purpose of a Timely Warning is to provide individuals information about the incident that will: enable persons to protect themselves; heighten safety awareness; aid in the prevention of similar crimes; and seek information that will lead to an arrest and conviction of the perpetrator.

Whether an incident triggers the need for a Timely Warning is considered on a case-by-case basis. Factors that are considered include: the type of alleged crime (including whether the offense is a Clery reportable offense); the facts of the incident (including where and when the incident occurred); when the incident was reported; and the extent of information known by the University Police Department. For example, if an assault occurs between two students who have a disagreement, there may be no on-going threat to other UTRGV community members and a Timely Warning would

not be necessary. In cases involving sexual assault, if the report of the assault is reported long after the incident occurred, there may not be the ability to distribute a “timely” warning notice to the community.

Every attempt will be made to distribute a Timely Warning soon after the incident is reported; however, the release of the Timely Warning is subject to the availability of facts concerning the incident.

UTRGV may also follow the Timely Warning process for crimes that are not categorized as Clery crimes and crimes that occur outside UTRGV’s Clery geography if it is determined the incident represents a serious or continuing threat to the UTRGV Community.

UTRGV is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

Timely Warning emails typically include:

1. Date and time or timeframe of the incident
2. A brief statement of the incident
3. Physical description of the suspect, if available
4. Other relevant and important information
5. Appropriate safety tips
6. UTRGV Police contact information

Timely Warnings shall not include the names of complainants or personally identifiable information.

#### **Emergency Notifications V. Timely Warnings**

If there is an immediate threat to the health or safety of students or employees occurring on campus, UTRGV will follow its emergency notification procedures. No Timely Warning based on the same circumstance will be issued. However, follow-up information will be disseminated to the community as needed.

#### **Additional Communication**

In the event of a significant on-campus emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty or staff, the University will also post information on its homepage at [www.UTRGV.edu](http://www.UTRGV.edu). UTRGV’s University Marketing and Communications is charged with notifying the media in the event of an emergency. Updated information will be posted to the University’s website and provided to the media as available.

### **13. Sex Offender Registry Information**

The Texas Department of Public Safety (DPS) maintains the Sex Offender Registration Database for the State of Texas. All sex offenders in the State of Texas are required by Chapter 62 of the Texas Code of Criminal Procedure to register with the local law enforcement agency where they reside. This information is then placed in the Texas DPS sex offender database which may be accessed by the public at: <https://records.txdps.state.tx.us/SexOffenderRegistry>.

Sex offenders who are enrolled at UTRGV must notify the University Police Department every semester. The University Police department tracks all sex offenders currently attending and/or enrolled at the university.

### **14. Drug Free School and Communities Notice**

#### **General Information**

UTRGV is a drug-free school and complies with the Drug Free Work-place Act of 1990. The Drug Free School and Communities Act of 1989 requires institutions of higher education to adopt and implement programs to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol. Information concerning these programs must be

distributed to students annually. For information regarding these policies, please refer to the Drug Free School and Communities Act provided by the Office Student Rights & Responsibilities at: [www.utrgv.edu/srr/files/documents/srr-drug-free-school-and-communities-notice.pdf](http://www.utrgv.edu/srr/files/documents/srr-drug-free-school-and-communities-notice.pdf)

UTRGV is committed to maintaining a safe and healthy environment for the campus community. Alcohol and other drugs should not interfere with the University's educational mission. All UTRGV students, faculty members, staff members, administrators, and visitors are subject to local, state, and federal laws regarding the unlawful possession, distribution, or use of alcohol or illegal drugs. University Police will investigate violations of State and Federal drug laws to file charges and/or refer for administration disciplinary action.

Federal and state laws and The Rules and Regulations of the Board of Regents of The University of Texas System require UT RGV to develop policies and enforce sanctions related to the abuse of alcohol and other drugs. These policies and sanctions are only one aspect of the university's initiative to develop a campus community in which alcohol and drugs do not impede the educational mission of the institution.

UT RGV consistently enforces disciplinary sanctions for violations of standards of conduct related to alcohol and drug use through a broad spectrum of enforcement policies that are implemented institution wide.

## 15. Fire Safety Report

The Higher Education Opportunity Act (HEOA) was signed into law in August 2008 and contains several crucial campus safety components. One of the main provisions of the HEOA is the Campus Fire Safety Right-to-Know Act, which calls for all Title IV eligible institutions that participate in Title IV programs and maintain on-campus student housing facilities to publish an annual fire safety report that outlines fire safety systems, policies, practices, and statistics.

The Fire Safety information contained in this section is available by visiting the Environmental Health, Safety & Risk Management (EHSRM) office:

Edinburg: 501 N Sugar Road, Edinburg TX 78539, Phone: 956-665-3690

Brownsville: 2671 FJRM Avenue, Brownsville TX 78520, Phone: 956-882-5930

### Reporting Fires and Evacuation

The following outlines the specific instructions in the event you discover a fire:

- If a fire is noticed, make the decision to extinguish the fire or immediately exit the building.
- **Do not** try to extinguish the fire unless you have access to an inspected fire extinguisher, and you have been properly trained in the use of the fire extinguisher.
- **Do not** fight the fire if it is already beginning to spread beyond the location where it started, if you can't fight the fire with your back to an exit, or if the fire can block your only exit.
- If you are successful in extinguishing the fire, immediately notify the University Police Department.
- If you choose to exit the building, on the way out of the building, pull a fire alarm system pull station. It may be necessary to break the glass or raise the pull station cover to pull the alarm. **Remember that an alarm may also sound when the pull station cover is raised, however, the main alarm is not sounded in this case and it is necessary to activate the alarm.** Some common locations of pull stations are at stairwell doors and exits. By sounding the alarm, occupants of the building are notified of a fire hazard and should evacuate the building. In addition, the University Police, EHSRM, and local Fire Departments are notified immediately if the alarm is sounded.
- Ensure that you make yourself available to the appropriate authorities to provide information regarding the location and source of the fire.

### Have an Exit Strategy

UTRGV continued the Have an Exit Strategy program which promotes self-awareness and self-responsibility by the students, staff and visitors at UTRGV. In addition to public safety, adopting and utilizing this program assists UTRGV in

meeting the requirements for the Federal Legislation on University Fire Safety as well as the Texas Legislation of Risk Management for Campus Organizations.

## Reported Fires

The following table is a compilation of fires that occurred at each on-campus housing facility during the previous three completed calendar years. It includes statistics outlining the number of fires, the cause of each fire, the number of injuries and deaths related to the fire and the value of property damage related to the fire.

## UTRGV Residence Halls, Annual Number of fire drills, and Designated Assembly Areas

**Casa Bella, Heritage Hall, Troxel Hall, and Unity Hall** are fully equipped with automatic wet sprinkler systems, an automatic fire alarm system, audio visual devices, heat and/or smoke detectors, etc., in all required areas. Hard-wired smoke detectors are included in each dorm room. For redundancy, the fire alarm system in each one of the facilities is directly wired to both the University Police Headquarters and a central monitoring station. All systems are in compliance with the current regulatory requirements. Each hall is equipped with fire extinguishers in common areas. Fire extinguishers are inspected monthly, annually and provided a 6-year maintenance and a 12-year hydrostatic testing or recharging when needed.

**The Village Apartments** are equipped with a fire extinguisher in the kitchen area and outside each apartment, and hard wired smoke detectors near the sleeping areas. A general fire alarm system is activated by a pull station located outside each residential unit. This system is inspected annually. Fire extinguishers are inspected monthly, annually and provided a 6-year maintenance and a 12-year hydrostatic testing or recharging when needed. Each smoke detector is cleaned, inspected and tested for operation annually. All residents are requested to notify the Resident Assistant if there are problems with the smoke detectors or if the fire extinguisher has been discharged.

#### Student Housing Fire Safety Systems Chart:

Residence Halls	Number of Beds	Sprinkler or Fire Suppression	Sprinkler in Storage and Trash Room	Detection Type (Heat/Smoke)	Fire Alarm Sound	Strobe Lights
Heritage Hall 410 N. Sugar Rd. <i>Edinburg Campus</i>	192	Yes	Yes	Smoke	Yes	Yes
Troxel Hall 424 N. Sugar Rd. <i>Edinburg Campus</i>	80	Yes	Yes	Smoke	Yes	Yes
Unity Hall 509 N. Sugar Rd. <i>Edinburg Campus</i>	396	Yes	Yes	Heat & Smoke	Yes	Yes

All residence hall advisors and camp counselors are trained to be evacuation assistants. Training is conducted at the beginning of the fall, spring, and summer semesters. When the fire alarm is activated, the evacuation assistants are trained to guide all residents to the nearest exit and assemble 150 feet away from the building upwind of any fire and away from any emergency crews, to pre-determined assembly areas. Assembly areas are subject to change, however, depending on the circumstances related to the fire. Evacuation assistants are required to wear orange vests so they can be easily identified and provide appropriate information to the emergency crews upon arrival to the scene of the fire. All residents are mandated to immediately evacuate the building by following the fire drill procedures outlined in the UTRGV Emergency Response Plan and the UTRGV Guide to Campus Living.

UTRGV conducts a minimum of three fire drills in each occupied residence hall per academic year. A drill is conducted in the summer, fall, and spring semesters. Additional fire drills are conducted to address the camps that are held on the UTRGV campus in the summer session to ensure that new employees and children attending camps are familiar with the fire safety policies at the University.

The following table outlines:

- student housing locations,
- the minimum number of drills conducted in each location on an annual basis,
- and the designated assembly area.

Residence	2019 # of Fire Drills	Assembly Area(s)
Heritage Hall 410 N. Sugar Rd. <i>Edinburg Campus</i>	2 (no drill was scheduled for Summer when unoccupied)	East side towards the covered walkway.
Troxel Hall 424 N. Sugar Rd. <i>Edinburg Campus</i>	2 (no drill was scheduled for Summer when unoccupied)	East side towards the covered walkway.
Unity Hall 509 N. Sugar Rd. <i>Edinburg Campus</i>	2 (no drill was scheduled for Summer when unoccupied)	North side of the Vaqueros village parking lot and West side of the University Police Department parking lot Q1.
Village Apartments 603 N. Sugar Rd. <i>Edinburg Campus</i>	3	North-west side of the apartments.
Casa Bella 2651 FJRM Ave <i>Brownville Campus</i>	3	Volleyball and basketball courts

All fire drills and false alarms resulting in the evacuation of the dorms or apartments are evaluated by EHSRM in respect to the following criteria:

- Was the total time to exit less than five minutes?
- Did police arrive within two minutes?
- Did all persons exit the building in orderly fashion?
- Did all persons assemble 150 feet from the building upwind of the fire?
- Were doors and exit doors properly shut?
- Did the evacuation assistants perform their respective duties?
- Did all alarms and emergency lights work properly?
- Were all persons accounted for?

An evaluation form is completed and a copy is provided to all stakeholders in the process including EHSRM (fire safety management), University Police (response), and the Director of Housing and Residence Life (evacuation). In the event that any aspect of the process is not adhered to (e.g. total time to exit), the drill is conducted again at a later time to ensure that all respective systems are in place.

### Tobacco-Free Workplace Policy

The University of Texas Rio Grande Valley (UTRGV) has a responsibility for and is committed to promoting the health, well-being and safety of UTRGV students, faculty, staff and visitors. Tobacco prevention programs are most effective when supplemented by strong tobacco-free policies and when they are incorporated into a broader community effort to reduce tobacco use. In light of this information, and to ensure compliance with external cancer research funding requirements, it is the UTRGV's intent to prohibit tobacco products and smoking devices on UTRGV property.

See tobacco free workplace policy ADM 04-108 [www.utrgv.edu/hop/policies/adm-04-108.pdf](http://www.utrgv.edu/hop/policies/adm-04-108.pdf) for more information.

## Open Flames

The use of live Christmas trees is also prohibited in the residence halls. Any electrical decorations, which may be used on Christmas trees must be UL listed and approved by EHSRM. Halogen lamps and string lights are not allowed. Routine inspections of Christmas decorations are conducted by EHSRM. Prior to the holiday season, a letter reinforcing the policies is issued by the Office of Housing and Residence Life.

## Extension Cords

The use of extension cords is discouraged in all residence halls, however, if an extension cord must be used; there are several guidelines that must be followed:

- All extension cords must have a surge protector and be UL listed and approved.
- All extension cords must only be used within the appropriate rating.
- If a cord on the appliance being used has a three-pronged adapter, the extension cord must also be three pronged.
- Splicing together of extension cords, and the plugging together of multiple extension cords are not allowed.
- Extension cords may never be run under rugs or carpet or through walkways or windows.
- Extension cords shall only be used for temporary functions, such as special events or ceremonies.
- Extension cords shall not be used for more than 4 hours at a time.

## Evacuation Assistants

All evacuation assistants are mandated to attend Evacuation Assistant training prior to assuming the respective responsibilities. Training includes Fire and Life safety, evacuation procedures, evacuation procedures for the disabled, and fire extinguisher training.

## Employees

All employees potentially involved in responding to an emergency (EHSRM, Facilities, the University Police Department, Residence Hall employees) or involved with activities that involve the use of ignition sources are mandated to attend Fire and Life Safety Training which include evacuation assistant training and fire extinguisher training. In addition, fire safety training is included in other mandated courses such as laboratory safety.

For those employees that are not directly related to emergency response, a variety of fire and life safety training programs are available to all UTRGV on a voluntary basis. Routine fire safety training is provided on a monthly basis and all UTRGV faculty, staff, and students are invited to attend. The training includes fire and life safety, emergency planning, emergency evacuation, and portable fire extinguisher.

## Students

EHSRM and Residential Life work together each year to provide fire and life safety education to students living on campus. Residential Advisors attend fire and life safety training three times a year. Student residents receive fire safety training during the beginning of the fall semester or orientation sessions. In addition, students are reminded about fire evacuation procedures during hall meetings, floor meetings, after problems occur during fire drills, and accidental activation of the alarm.

At the current time, all facilities are in compliance with National Fire Protection Association (NFPA) Standards.

## Future Fire Safety Initiatives

The University continually strives to improve campus fire safety. All new building construction and renovations are completed in accordance with applicable fire codes. All buildings that do not have a fire sprinkler system and undergo significant renovation, shall have a fire sprinkler system installed in accordance with NFPA rules and regulations. Currently, no specific plans in place for future fire safety initiatives.

As per federal law, UTRGV is required to annually disclose statistical data on all fires that occur in On-Campus Student Housing facilities. Listed below are the **non-emergency** numbers to call to report fires that have already been extinguished in On-Campus Student Housing. If you are not sure whether the University Police Department is aware of such a fire, use one of these numbers to report it.

## 16. Crime Statistics

The tables below contain statistics for Clery reportable crimes on-campus, on-campus student housing (residential), non-campus, and public property locations. This report contains the statistics for the previous three years - 2017, 2018 and 2019. Clery reportable statistics are provided in separate tables for the UTRGV main campus (Edinburg) and each of the separate campuses as that term is defined by Clery.

The University of Texas Rio Grande Valley (UTRGV) was created by the Texas Legislature in 2013 as the first major public University of the 21st century in Texas. This transformative initiative provided the opportunity to expand educational opportunities in the Rio Grande Valley. UTRGV became operational on September 1, 2015.

### Clery Reportable Geography Definitions

On-Campus Property is defined as any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to the area identified in the first part of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor). In our tables below, On-Campus includes all crimes reported to have occurred on campus even the same crimes that are reported for the On-Campus Student Housing category.

On-Campus Student Housing Facilities is defined as any student housing facility that is owned, or controlled by the institution, or is located on property that is owned or controlled by the institution and is within the reasonably contiguous geographic area that makes up the campus. In our tables below, the crimes reported in the On-Campus Student Housing category are also included in the On-Campus category. This category is provided as a "sub-set" of the On-Campus total to provide the community with an understanding of the On-Campus crimes that were reported for specific Student Housing locations on campus.
