EXPRESSIVE ARTS THERAPY CERTIFICATE

100% ONLINE

The Expressive Arts Therapy Certificate is a fully online, 9 - hour certificate program designed to provide students from different mental health educational backgrounds with the opportunity to broaden their scope of practice; thus, increasing counseling skills and increasing job opportunities by helping practitioners become more competitive in the job market. This program is for master's- or doctoral-level mental health providers as well as current graduate level counseling/ mental health students. Students who complete this master's level, online certificate will be able to provide enhanced expressive arts therapies.

*Please Note: If you are a graduate of UTPA, UTB/ TSC, or UTRGV you do not need to request an official transcript to be sent to the Graduate College.

HOW TO APPLY:

Step #1: Submit a UTRGV Graduate Application at utrgv.edu/gradapply. There is no application fee.

Step #2: Request your official transcripts to be sent electronically to: gradapps@utrgv.edu or mailed to:

ADMISSION CRITERIA:

Meets all UTRGV Graduate College admission requirements; and be either a:

1. Current graduate student in a counseling or related program in their final semester, or
2. Graduate of a graduate-level counseling or related programs. (Relevant counseling programs include rehabilitation counseling, school counseling, clinical psychology, addictions/substance abuse counseling, and other mental health counseling discipline.)
