

# Clinical Lab Science Blood Drive

**Who:** Bronc Battalion Cadets and Cadre and UTPA Students

**What:** Blood Drive

**When:** 20 April 2015

**Where:** University of Texas-Pan American Edinburg, TX

**Why:** The Clinical Laboratory Science program joined with United Blood Services to sponsor a blood drive on campus open to all students and to the public. Donating blood one time can save up to three lives, so to show our support for a great cause the Bronc Battalion came and donated blood that may one day save a life.
