

UTRGV Army ROTC HESTEC Robotics Competition

Who: Vaqueros Battalion

What: Cadets assisted in the robotics competition

When: 08 October 2015 From 1345 - 1600

Where: Edinburg, Texas UTRGV Fieldhouse

Why: Selected cadets participated in the event as graders and spread awareness about the ROTC Program. Meanwhile, The Vaqueros Battalion engaged in a series of confidence activates to promote unity and courage. Cadets were challenged by MSG Bamba through marching cadences and team building exercises. After the event, newly contracted cadets were given the new UTRGV Army ROTC Vaqueros Battalion coin by the Professor of Military Science LTC Walter Llamas.

Cadre POC: LTC Walter Llamas

Cadet POC: c/LTC Crystal De La Rosa
