

October 16, 2020

Congratulations Carla Santillana!

It is my pleasure to announce that you are the winner of the Texas Art Education Association Student of Art Award for your significant contributions to TAEA and to art education on the state, local and/or national level.

TAEA strives to honor our hard working supporters and membership through recognition of their continued efforts and significant achievements in art education. Your peers have noted your hard work, dedication, and advocacy. I hope to see you at the awards ceremony and reception at our Conference in November.

In lieu of an in-person conference, TAEA is planning the 2020 TAEA Virtual Conference for November 20-22. This is a first in the history of TAEA. The awards ceremony will take place Friday, November 20 at 6PM via zoom. You will also be given a minute to speak after your award is announced. You will receive additional information regarding the zoom link closer to the conference so you can invite and celebrate with friends and family. In the meantime, I have attached a graphic for you to share on your social media pages.

Please respond with the contact information for your immediate supervisor and/or the superintendent of your district so that I may notify them of your award as well. Your award will be delivered by mail, so please respond with the address you would like the award shipped.

Again, thank you for your service to art education and congratulations!
