Jeff Ring, Ph.D.  
Towards the Elimination of Health Inequity: We Can Do This!

Dr. Jeffrey Ring is a clinical health psychologist and author who knows culturally responsive integrated healthcare from the inside out. Jeffrey is a champion for healthcare practitioner vitality and is skilled in supporting teams in mindful reflection on creative approaches to self-care and wellness enhancement.

For 19 years he served as the director of behavioral sciences and cultural medicine at the family medicine residency program at White Memorial Medical Center in East Los Angeles. There he worked in a multi-disciplinary team providing woven behavioral and primary care health services to a predominately Spanish-speaking underserved population. He is a clinical professor of family medicine at the Keck School of Medicine at the University of Southern California.
