

SENIOR ASSOCIATE DEAN FOR EDUCATIONAL RESOURCES

Key Roles and Responsibilities

- Oversee library resources.
- Represent UTRGV SOM on special projects and events related to promoting the educational resources of SOM to prospective students.
- Assure compliance with LCME requirements for institutional accreditation regarding student resources; work with SOM and university leadership to promote student resources for all learners.
- Support the needs of clinical skills and simulation hospital resources and develop plans for effective use of these resources; work collaboratively to develop an optimal learning environment for trainees.
- Collaborate with Student Affairs and Student Government Association leadership on mechanisms to ensure adequacy of library and other student resources.
