UTRGV

UT Health
Rio Grande Valley

High School to Health Professions

APPLY TODAY!

The collaborative partnership between the UTRGV Division of Health Affairs (School of Medicine, School of Nursing, School of Social Work, College of Health Professions) and Harlingen CISD provides you with a competitive pathway towards your future health professions career as a doctor, nurse, social worker, physician assistant, occupational therapist and other health professions.

Five qualifying Seniors from the High School of Health Professions will be selected for admission into the UTRGV BMED Program. BMED is a preparatory degree for tomorrow's health care professionals and leaders and thus prepares students for successful admission to professional schools in medicine, dentistry, veterinary medicine, physical therapy, and physician assistant programs as well as graduate studies in biomedical sciences.

Other qualifying Senior year students from the other HCISD high schools will also be eligible to apply.

2020 Deadlines

February 10: Qualifying Phase II HCISD students submit HS2HP & BMED applications

March 1: Submission of completed BMED applications to UTRGV

Mid-March: Selection of 5 students for admissions to BMED

May 31: Final deadline for all other students interested in BMED

Eligibility Criteria

- 4.5 GPA
- Top 5%-10%
- SAT > 1200
- ACT 24 or greater
