

Personal Statement BSW Application

Prospective BSW student is to submit a 1–2 page statement regarding their interest in the BSW program. This statement will allow us to assess your writing ability. Please submit a typed statement which should address the following areas:

1. How did you become interested in studying social work? Was this your first choice? If not, what caused you to change your major to social work?
2. What types of activities or volunteer work were you involved in that led you to be interested in studying social work?
3. What type of work are you interested in doing once you have social work degree?
