

UTRGV BELL RINGERS

COMMENCEMENT BELL RINGERS

Ringling the bell is an honor reserved for two graduating seniors at each ceremony who have been actively involved in student life initiatives, demonstrated academic excellence, and who embody the Vaquero Honor Code. For the first time, the bell will be transported from Brownsville to McAllen for commencement ceremonies there. The two bell ringers at each ceremony – eight in all, and all prospective graduates – were selected from applicants who sought to have that honor.
