#### **HISTORY (BA)** 7th-12th TEACHER CERTIFICATION Catalog: 2017-18 **COLLEGE OF LIBERAL ARTS**

UTRio Grande Valley

As an integral part of a liberal arts education, history courses introduce students to different historical eras, diverse cultures, famous and ordinary women and men, and a variety of geographical settings. Our courses challenge students to think critically, express themselves clearly, and become informed and responsible citizens in an increasingly interconnected world. Students majoring or minoring in history may become teachers or seek employment in business or government. History is an excellent background for those who wish later to go to law school or enter journalism.
