After talking to your advisor, it is *important that you meet with* Dr. Edinbarough the program coordinator, as he can clarify any questions you may have about the program.

All Engineering Technology classes are offered only once a year, so it is important to take the courses in the order you are advised.

	UTRGV has a Writing Center and a Learning Center. Make	□ Shoot for a GPA of > 3.0	\Box Shoot for a GPA of > 3.0.	AN D Shoot for a GPA of
MILESTONES	 it a point to visit them! Complete your core English classes (section 010) during your first year. Complete 30 credit hours every year in order to graduate in 4 years. Shoot for a GPA of > 3.0. Take MATH1314 College Algebra and MATH2412 Pre-Calculus in your first year. 	 Complete major foundation classes, such as MATH2313 Calculus I. Complete 30 credit hours. 	 Complete 30 credit hours. Have you landed an internship or acquired research experience? This is the year to make it happen. 	 "I have a plan for a great! If not, visit y Register for your C ENGT4210. Complete at least 3 Submit your applic apprenticeship, or
ADVICE & SUPPORT	Meet with your academic advisor and bring your orientation folder with you to every session!	 Want to explore different careers? Check out MyMajors! Come ready with course suggestions and questions when you visit your academic advisor. Visit the Communication Hauser Lab for help with your speeches. Trouble making your tuition payment? The Financial Aid Office can help. Payment plans and emergency loans are also available 	 Seek out research opportunities within your major. Seek to be an officer in a professional organization such as SME, SAE, SHPE or MAES. Check DegreeWorks to make sure you are on track for graduation next year. Apply for internship and/or job shadowing opportunities. Discuss this with your advisor, faculty mentor, or Career Center. Engage in an independent study project or an academic internship to complement your major. 	 Discuss future plan that includes empl Apply for graduatic date. Visit the Acad on track.
APPLY WHAT YOU LEARN	 Look for a service-learning course! For guidance, visit Engaged Scholarship & Learning Office. Participate in a campus-sponsored community service project. Ask a student in class to study with you. 	 To find undergraduate research opportunities, visit the Engaged Scholarship & Learning Office. Consider attending the LeaderShape Institute or attend the Engaged Scholar Symposium. Ask your undergraduate advisor about research and project opportunities. 	 Go show off your research, service-learning or creative works at the Engaged Scholar Symposium! Sharpen your writing skills! Become the secretary for your organization. 	 Continue to preser Engaged Scholar Sy Conference. Set up an informat (especially an alum work in.
GLOBAL, CAMPUS & COMMUNITY ENGAGEMENT	 Set up your profile on the Engagement Zone through My.UTRGV.edu. Attend a diversity based campus or community event (e.g. MLK Day of Service). Join a student organization! Consider looking into Society of Manufacturing Engineers (SME) or visit VLink (utrgv.edu/vlink) for options. 	 Check out a cultural campus or community event such as HESTEC or Charro Days. Join another student organization. Perhaps SHPE or visit VLink for options. Check out a campus event that offers free lunch-bring a friend! 	 Consider serving on a campus life/community committee or become a student leader and make a difference. Visit VLink or speak with your Student Government Association for more information! Travel the world! Look into study abroad opportunities at Office for International Programs & Partnerships. 	 Identify employers fairs, online, at on- agencies, etc. The Before a job interv Career Center or sj Hauser Lab.
LIFE AFTER GRADUATION	 Create a résumé and set up your profile on the Handshake icon: (My.UTRGV.edu). Got summer plans? Visit Career Center and ask about places to do some job shadowing. Research shows that students who work on campus perform better than those who work off campus. Look for a job on Handshake! Check your UTRGV email for the daily Messenger- locate and attend one student workshop. 	 Update your resume in Handshake and have it reviewed. Visit the Career Center site to find a job fair to attend. At the event, approach a recruiter and discuss internships. Explain to someone how your academic program aligns with your strengths and interests. 	 Check out the Manufacturing and Industrial Engineering department website for postings on career/graduate school. Think about three people you can ask for letters of recommendation (professors, mentors, advisors, supervisors, etc.). Give them at least two weeks' advance notice! When is the deadline for your graduate school application? Visiting the program admissions webpage. Most do not accept late applicants! 	 Have you received an employment of Career Center, and Formulate and imp graduation: attend fellowships, etc. Update your inforr alumni mixers, eve Center services! Remember to do y studentloans.gov.
