REHABILITATION SERVICES (BS)
REHABILITATION SERVICES
Catalog: 2018-19
COLLEGE OF HEALTH AFFAIRS

Degree Info

The field of rehabilitation is dedicated to assisting individuals, primarily adults, with disabilities to live full and independent lives. Graduates of the B.S. program are prepared to enter a wide-range of entry-level careers in rehabilitative and human services. Graduates are also prepared academically to continue into graduate studies in rehabilitation counseling and other related majors. The undergraduate degree places special emphasis in hands-on, experiential learning which is integrated into all course work. The educational experience culminates in a 360 hour practicum in an approved community setting.

Courses in red are part of the General Education Core Curriculum (GEC).

"Choose 1" Indicates course options. If options are not listed, please review the 2018-19 General Education Core or the degree plan for this major: www.utrgv.edu/degreeplans.
