Degree Info

As the first and most complete BA program in Spanish Translation and Interpreting in the State of Texas, we seek to help future practitioners of the art and science of Translation and Interpreting to play a vital role in shaping the global society of the 21st century. Our program contributes to the development of competencies needed by today's translators and interpreters, including analytical skills, cultural literacy, linguistic competence, and professionalism. In addition to course offerings in Spanish and English, the program provides a thorough translation and interpreting curriculum. Led by expert faculty from around the world, our program is geared toward training translators and interpreters for today's world.
