

We work with you to  
achieve dramatic  
results.

We are passionate about creating strong partnerships with our customers. This is our main differentiator and the reason why our customers prefer us. We get directly involved from the training stages all the way to planning and implementing specific continuous improvement projects.

# APICS-CPIM

The APICS Certified in Production and Inventory Management (CPIM) is known as the premier certification for internal supply chain business operations.

New, streamlined, CPIM program better serves the needs of the supply chain workforce - while maintaining the body of knowledge and integrity that has kept CPIM at the forefront of supply chain education.

## PROGRAM BENEFITS

1. **Training materials**, handouts and certificate of completion are provided to all participants.
2. **Free review** class and practice exams are also included.
3. **Breakfast and lunch** will be provided.
