Dear TRiO Students,

School has already begun and we are sure some of you are overwhelmed. Don't worry, just remember it will all be worth it. We are excited to welcome each of you back this semester, whether you are a first-year or an upperclassmen returning to UTRGV, we are excited to have you here.

The start of the 2019-2020 school year may bring many changes and challenges. In case you don't know yet, we moved locations. We are now located at the Music, Science, & Learning Center building on the second floor (BMSLC 2.104).

Don't forget to take advantage of our services. Tutors will be in the lab to assist you, and our peer coaches will be reaching out to you soon. The best part, we give you all free scantrons. For any of you that need books, come by and check out our book lending library and see if we have the book you need.
