Applicant Essay

Short Essay Question

In the space below, state why you wish to participate in The University of Texas Rio Grande Valley Upward Bound Math and Science program?

What Participants can Expect From The UBMS Program

1. Room and board, books, and school supplies for participation in the summer academic institute.
2. Student facilitator assistance in adjusting to college surroundings and the university system.
3. Academic advisement for the fulfillment of your long-range goals.
4. Assistance in planning for the years ahead to include college and career preferences in the math and science fields.
5. Counseling and student services.
6. Instruction in Literature, Composition, Mathematics and Foreign language.
7. Intensive instruction and laboratory research assistance in the math and science fields.
8. Enrichment seminars and workshops to increase participants' knowledge of and exposure to math and science.
9. Recreational events including indoor/outdoor activities.
10. Emergency leave will be granted to participant only upon written consent from parent of legal guardians.
11. Students will be given assistance in applying for Financial Aid and the admission's process to the college/university of their choice.

I hereby acknowledge that I understand the eligibility criteria and expectations for acceptance in the UTRGV UBMS program. I certify that I meet all eligibility criteria, which include: be officially enrolled in school, currently attending 9th, 10th, or 11th grade, must be between the ages of 13 and 19, and be a legal resident of the State of Texas.
