## **Browse for Courses**

 Enter search criteria to find courses. Begin by typing into a field for selecting Subject(s). If you know what Course Number to search by, you may type in the 4-digit course number or enter one to three numbers followed by a percentage (%) sign (i.e., 2%, 23%, 231%). If you want to search by a word in the course title or course description, enter the Keyword. You may also use the Advanced Search option should you like to refine the class search further.

## Search Results

1. Based on the search criteria you entered, only active courses will populate for the selected term.

**Note**: Columns may be resized by setting your cursor over a header vertical line until the cursor changes to the adjustment tool, then dragging to desired width. Columns may also be removed by unchecking header boxes in the tool icon on last column. If you need to change your search criteria, click on the green 'Search Again' button at the top right corner.
