TEXAS Grant Renewal Requirements

Congratulations on your TEXAS Grant award! In addition to meeting the general program requirements (financial need, enrolled at least 9 hours, etc.), you must meet the following TEXAS Grant Satisfactory Academic Progress (SAP) requirements to ensure you keep your TEXAS Grant for the upcoming year.

TEXAS Grant Academic Renewal Requirements

At the **end of the first academic year**, a student must meet the following UTRGV SAP Requirements:

- Have a minimum GPA of a 2.00
- Pass 67% of all attempted courses

At the **end of the second year**, and all subsequent years, students must complete the following:

- have a minimum 2.5 overall institutional GPA
- completed and passed 24 SCHs. (Repeat classes that were previously passed with a grade of "D" or better do not count as new earned hours)

If requirements are not met after the Spring term, a student has the opportunity to regain their eligibility in the Summer. Eligibility will be reviewed again at the end of the Summer II term.

TEXAS Grant Maximum Time Frame:

Eligibility ends when one of the following has been met, whichever comes first:

- 5 years pass from the start of the semester in which the student received the first award (3 years if student was initially awarded based on an associate's degree) if in a degree plan of 4 years or less; or
- 150 overall attempted hours
- 150 credit hours paid by the program (90 credit hours if student was initially awarded based on an associate's degree) while receiving grant funds; or
- Earn a baccalaureate degree.

TEXAS Grant Appeals:

Students not meeting the eligibility requirements by the end of the academic year and have experienced a hardship may complete and submit the TEXAS Grant Appeal form. TEXAS Grant Appeals may be found at www.utrgv.edu/appeals.

Important Notice: Meeting all eligibility requirements is not a guarantee that you will receive a continuation award through the TEXAS Grant program. Funding is limited and receiving an award is contingent on funding availability.
