National Science Foundation's
Robert Noyce Teacher Scholarship

In order to qualify, UTeach students must meet the following criteria:

- Be a U.S. citizen or national, or permanent resident alien;
- be a science or mathematics major in UTeach RGV;
- be classified as a junior or senior at UTRGV;
- have completed the Step 1 and Step 2 courses in UTeach RGV;
- indicate a willingness to teach in high-need school districts;
- commit to teach for two years for each full-year of a scholarship received, with this commitment being fulfilled within eight years after graduating from UTeach RGV;
- maintain an overall GPA of 2.75 or better;
- maintain a science and math GPA of 3.0 or better.

Students will be awarded up to $13,150 for each academic year (but not exceeding their cost of attendance), and the goal is to recruit 5 juniors and 10 seniors each year. If the juniors maintain their eligibility, the student can continue on with the scholarship into their senior year.

Due Date: April 26, 2019
