ACCEPT

Register now to connect with dozens of regional and national employers during a military spouse-focused hiring event! Participating employers are hiring for a variety of open positions including remote, hybrid, in-person, full-time, and part-time roles.

Before the hiring fair kicks off, boost your confidence with Amplify, an optional one-day professional development program designed to give you the tools, strategies, and resources to help you stand out and accelerate your career growth.

Any military spouse is eligible to attend (<https://www.hiringourheroes.org/career-services/education-networking/amplify/#faq>). Limited spots are available for Amplify and pre-registration for that session is required. Pre-registration is recommended for the hiring fair.
